OF CREDULITY.)

Hiya, Folks.

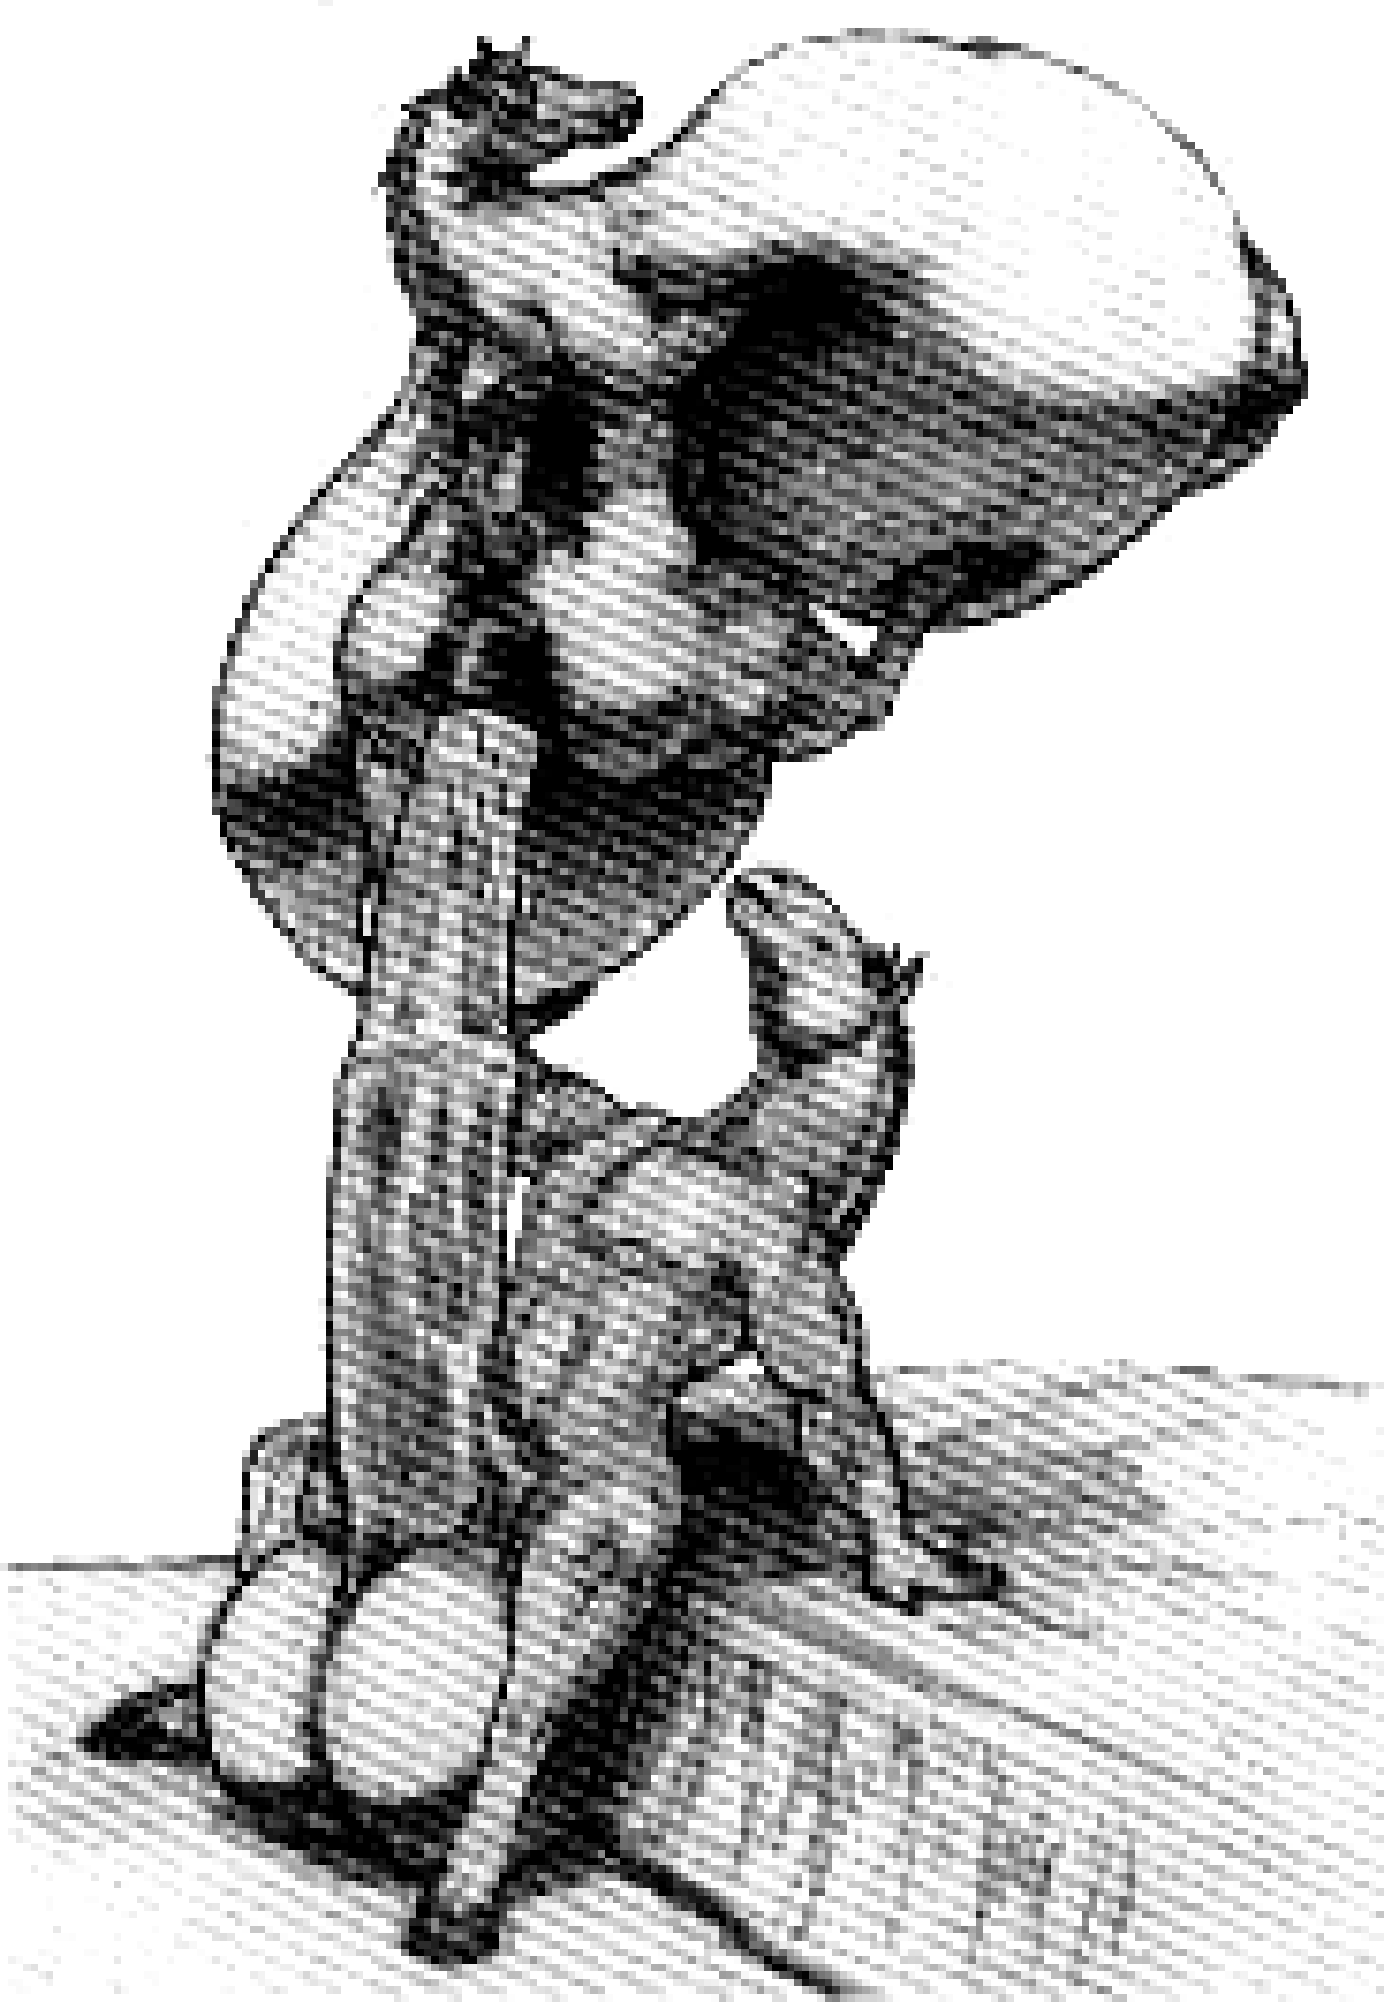

BIG Funnies is about silly fun - not only are the genitalia impossible, but the monster tits and donges are as often as not sported by funny-animal characters, just to underline the silliness of it all.

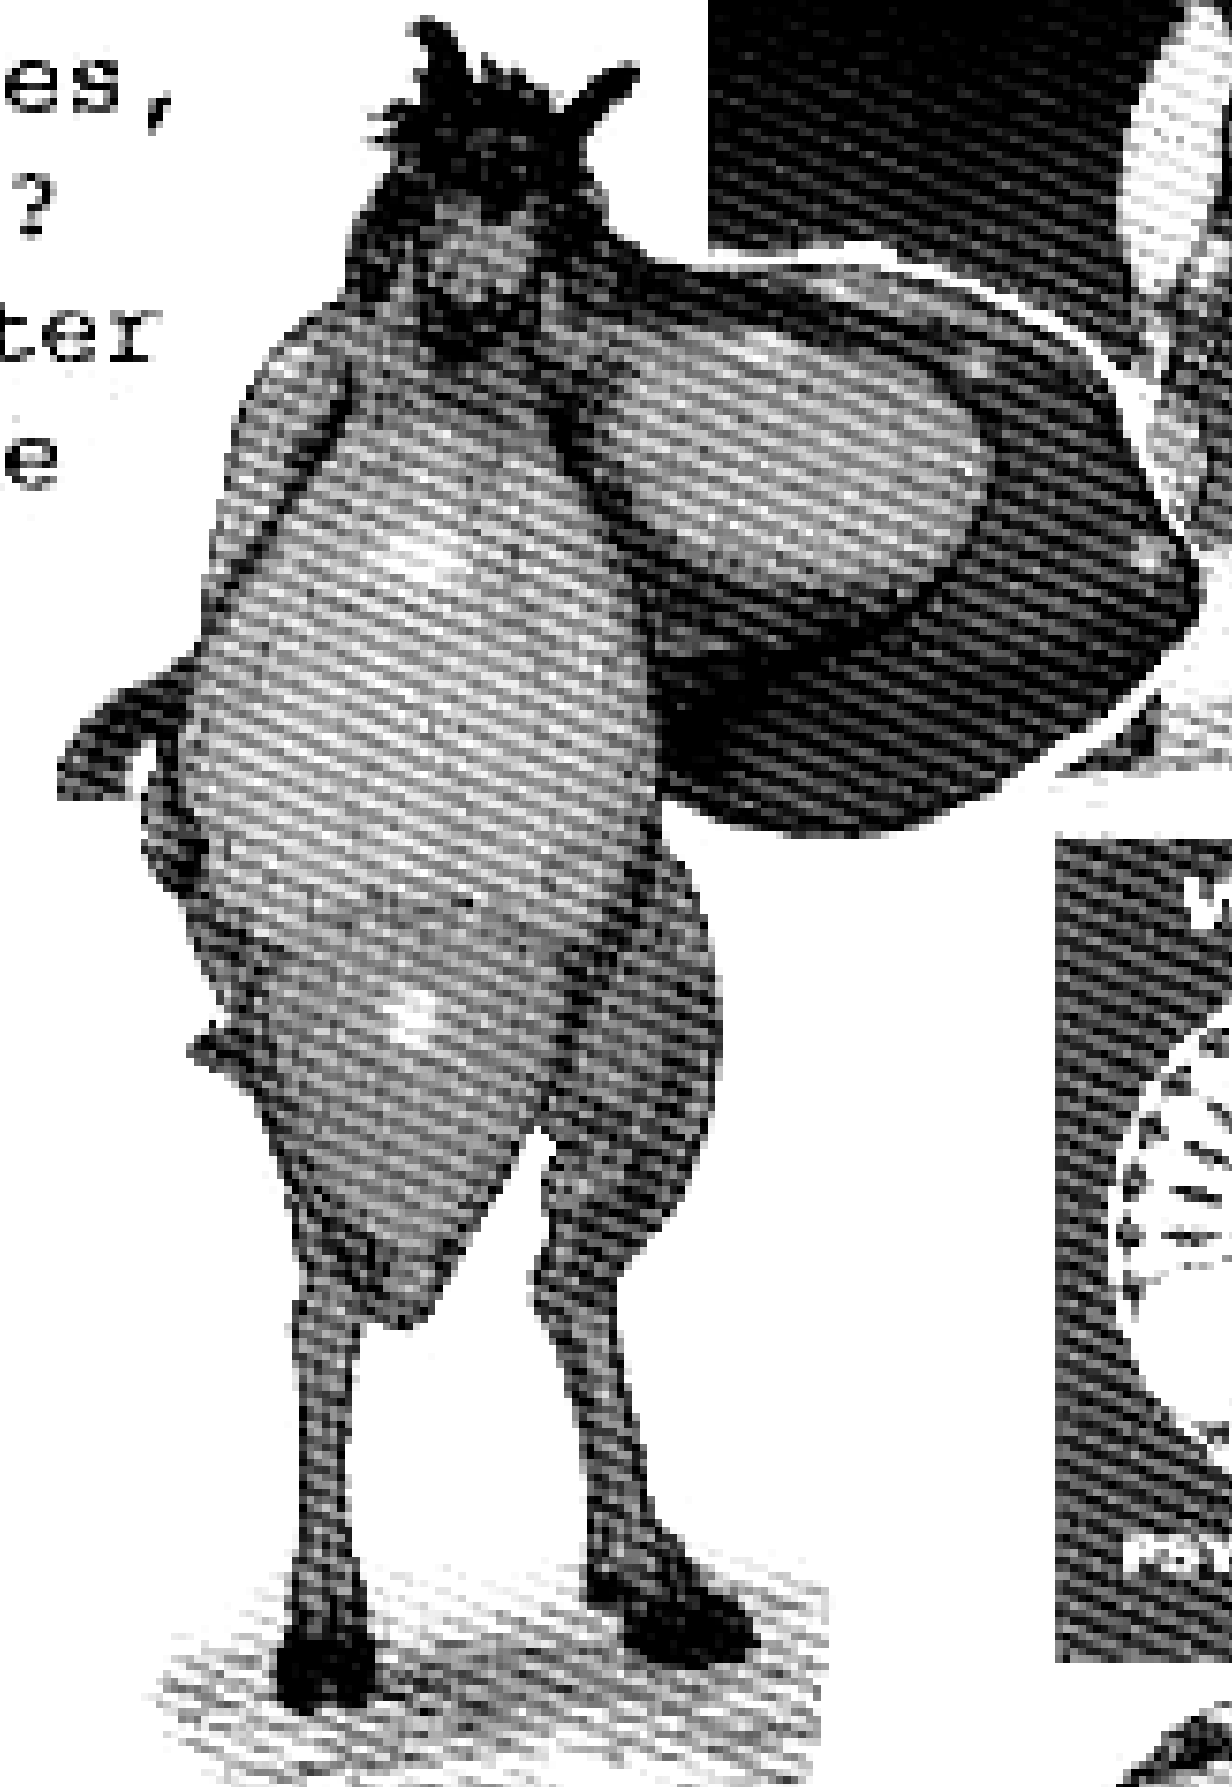

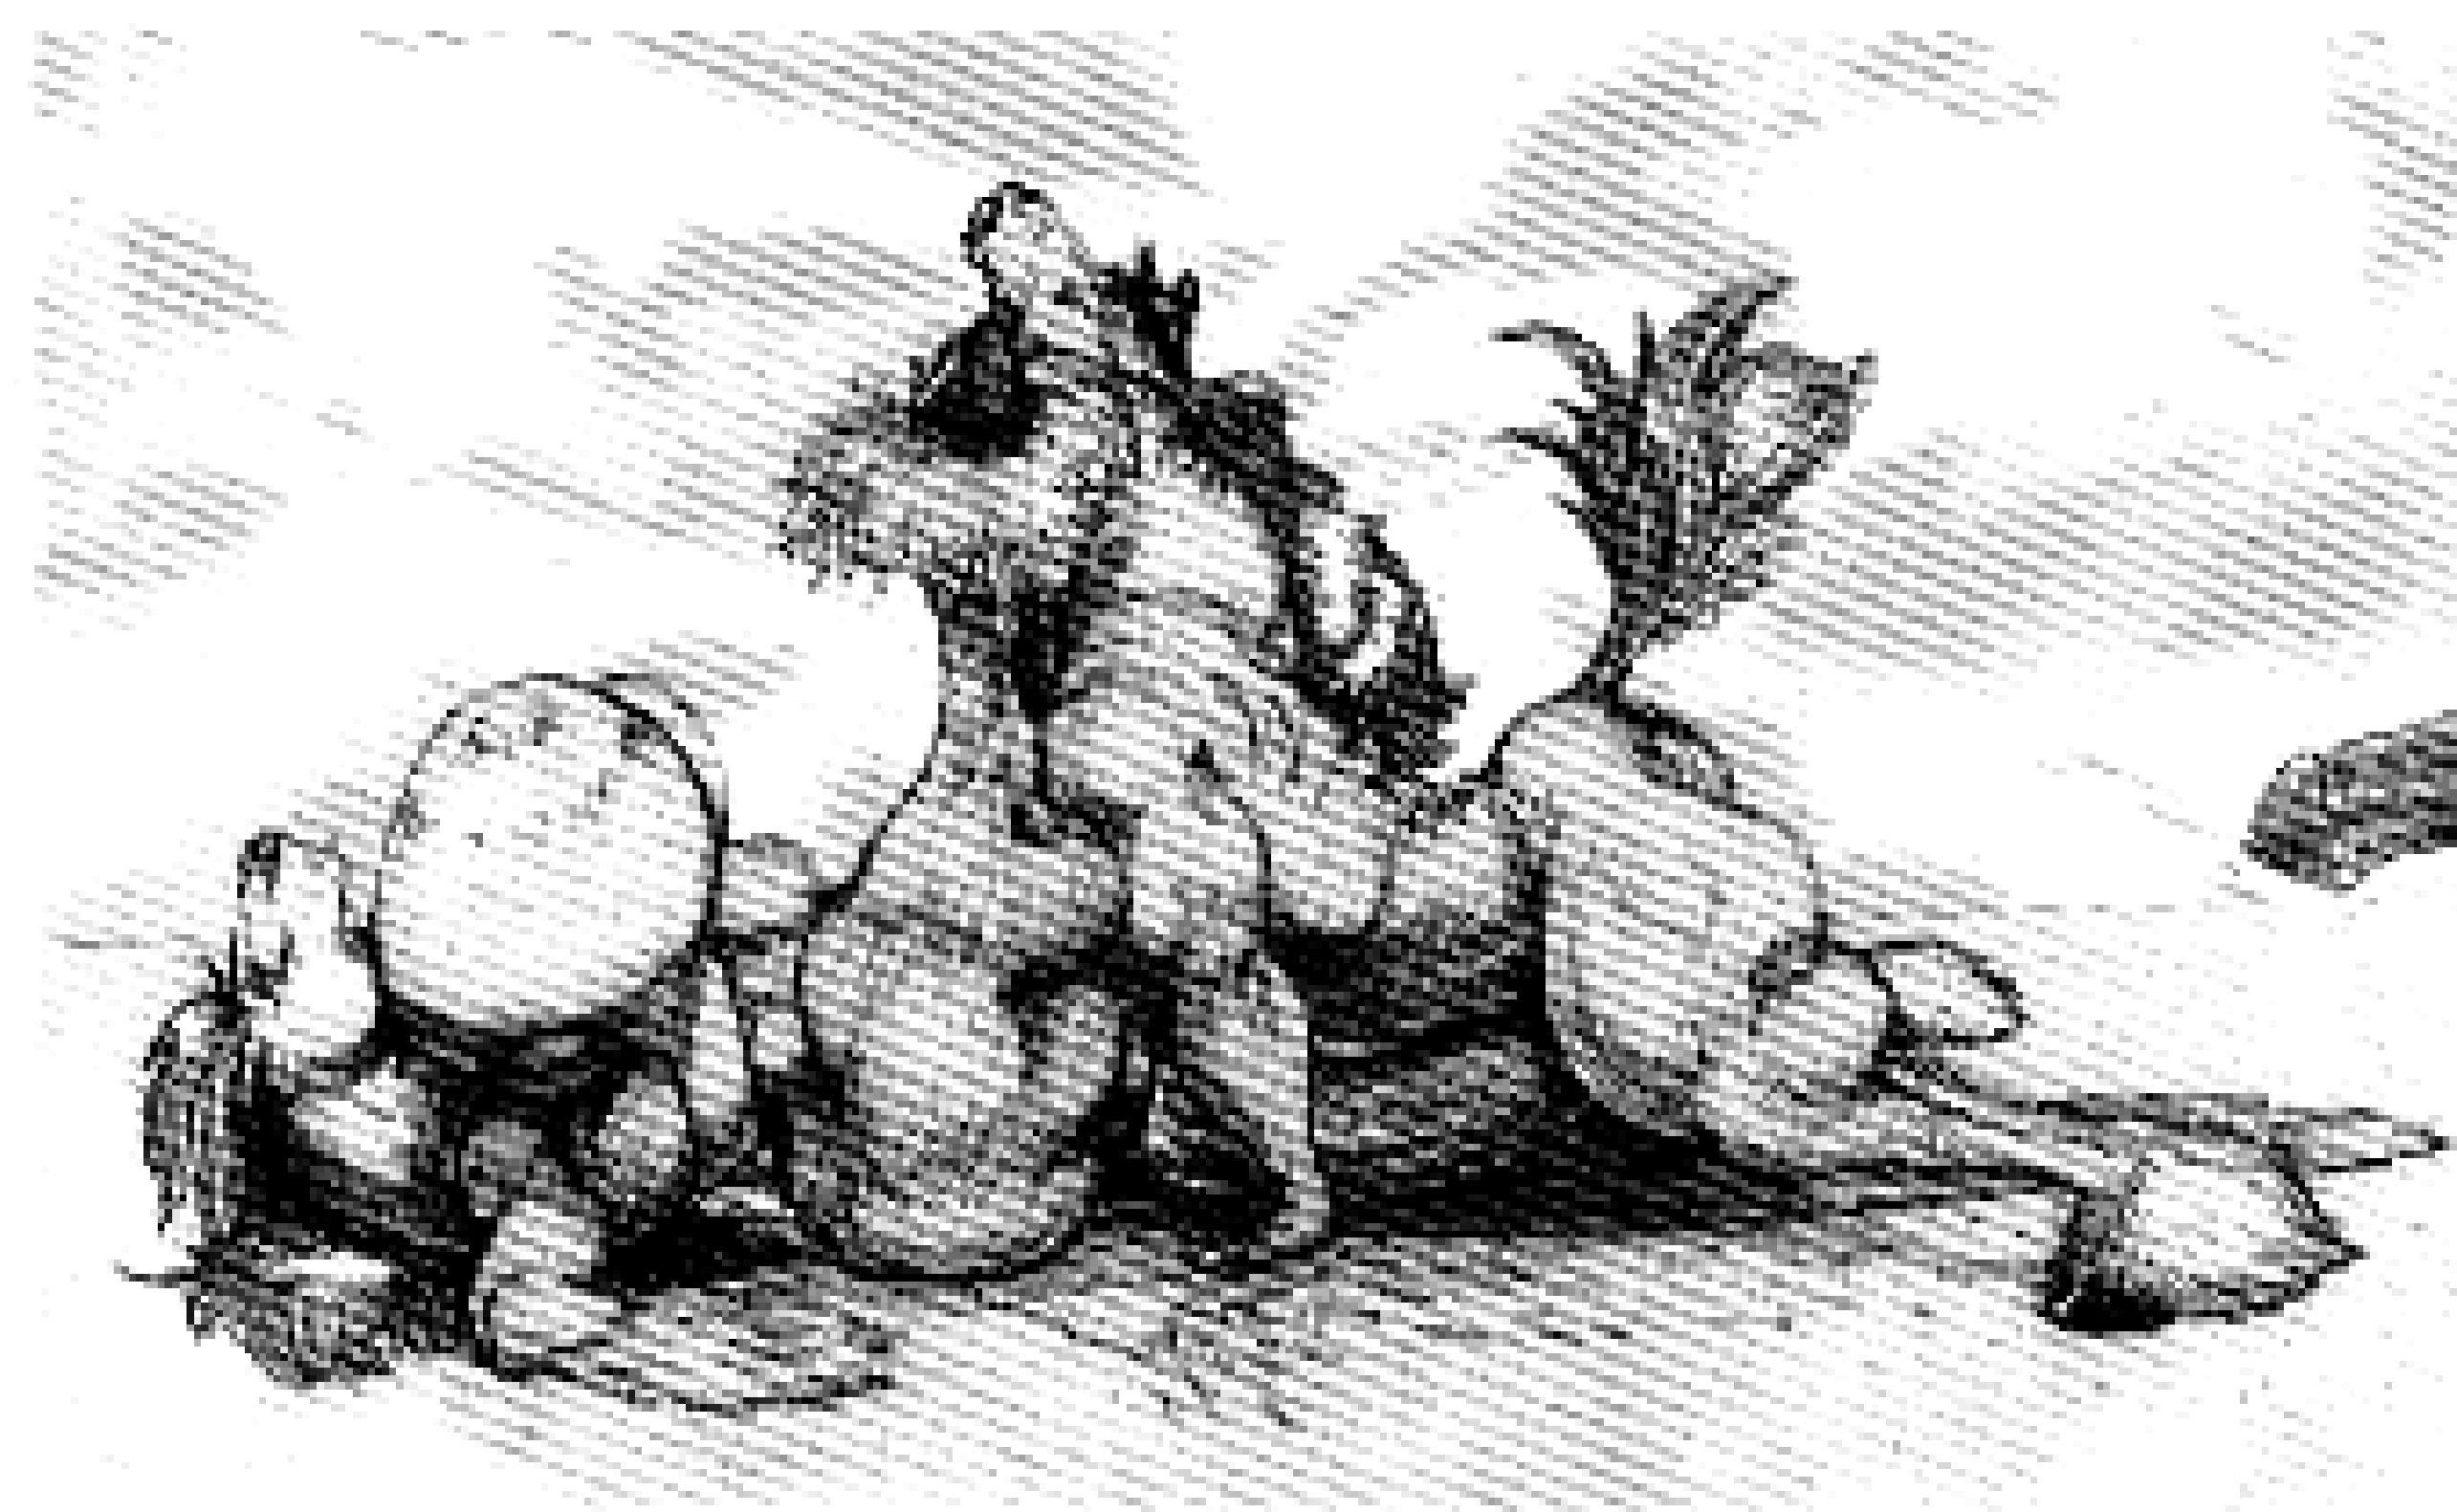

So this would seem to be the wrong place for gloomy funeral announcements - but I can't let Destrier's death go unannounced. He was one of us. Also known as Stellos, he was intelligent, funny, humane, helpful, and into most of the same fetishes I am (He drew "Protocol" in BIG Funnies #1). Stellos was a philosopher and spiritual explorer - he did not fear death. But I still feel ripped off. Why did Death have to snatch my friend and his wife, beloved by so many, in a stupid accident? Especially when the world is full of shitheels that we'd be relieved to see the last of?

I know, I know - there is no justice. The evil men do lives after them, while the good is oft interred with their bones. But I'm gonna try in a modest way to make sure that doesn't happen here. I'm gonna keep the memory of this humane spirit alive through his art for as long as I have a venue for it.

I'll include a page or two of his work in this issue. Um...that's about it for this editorial. I don't kid myself that most folks buy this rag for the articles, anyway. Just be nice to each other out there, OK? Be careful. Your time may end up being a lot shorter than you expect, so use every moment while you're lucky enough to find yourself alive.

-KSARTAN-
2002

Besides that, there's not much to announce, except for the usual pitch: I'm gasping for quality work to run in BIG Funnies, so if you have some really neat cartoons featuring really large genitals being used in really amusing ways, then I'd love to hear from you. Send art samples, fan mail, hate mail, love letters, commission requests, cash gifts and whathaveyou to:

I would like to take this opportunity to unequivocally state that I had nothing whatsoever to do with the death of that dirty thief. The horrible demise of everyone who has stolen from me is just one of those strange coincidences that happens in a large population. "Statistical clustering". Yeah, that's it. THE DRAGON'S BRIDE

By -KARTAN- ©2002

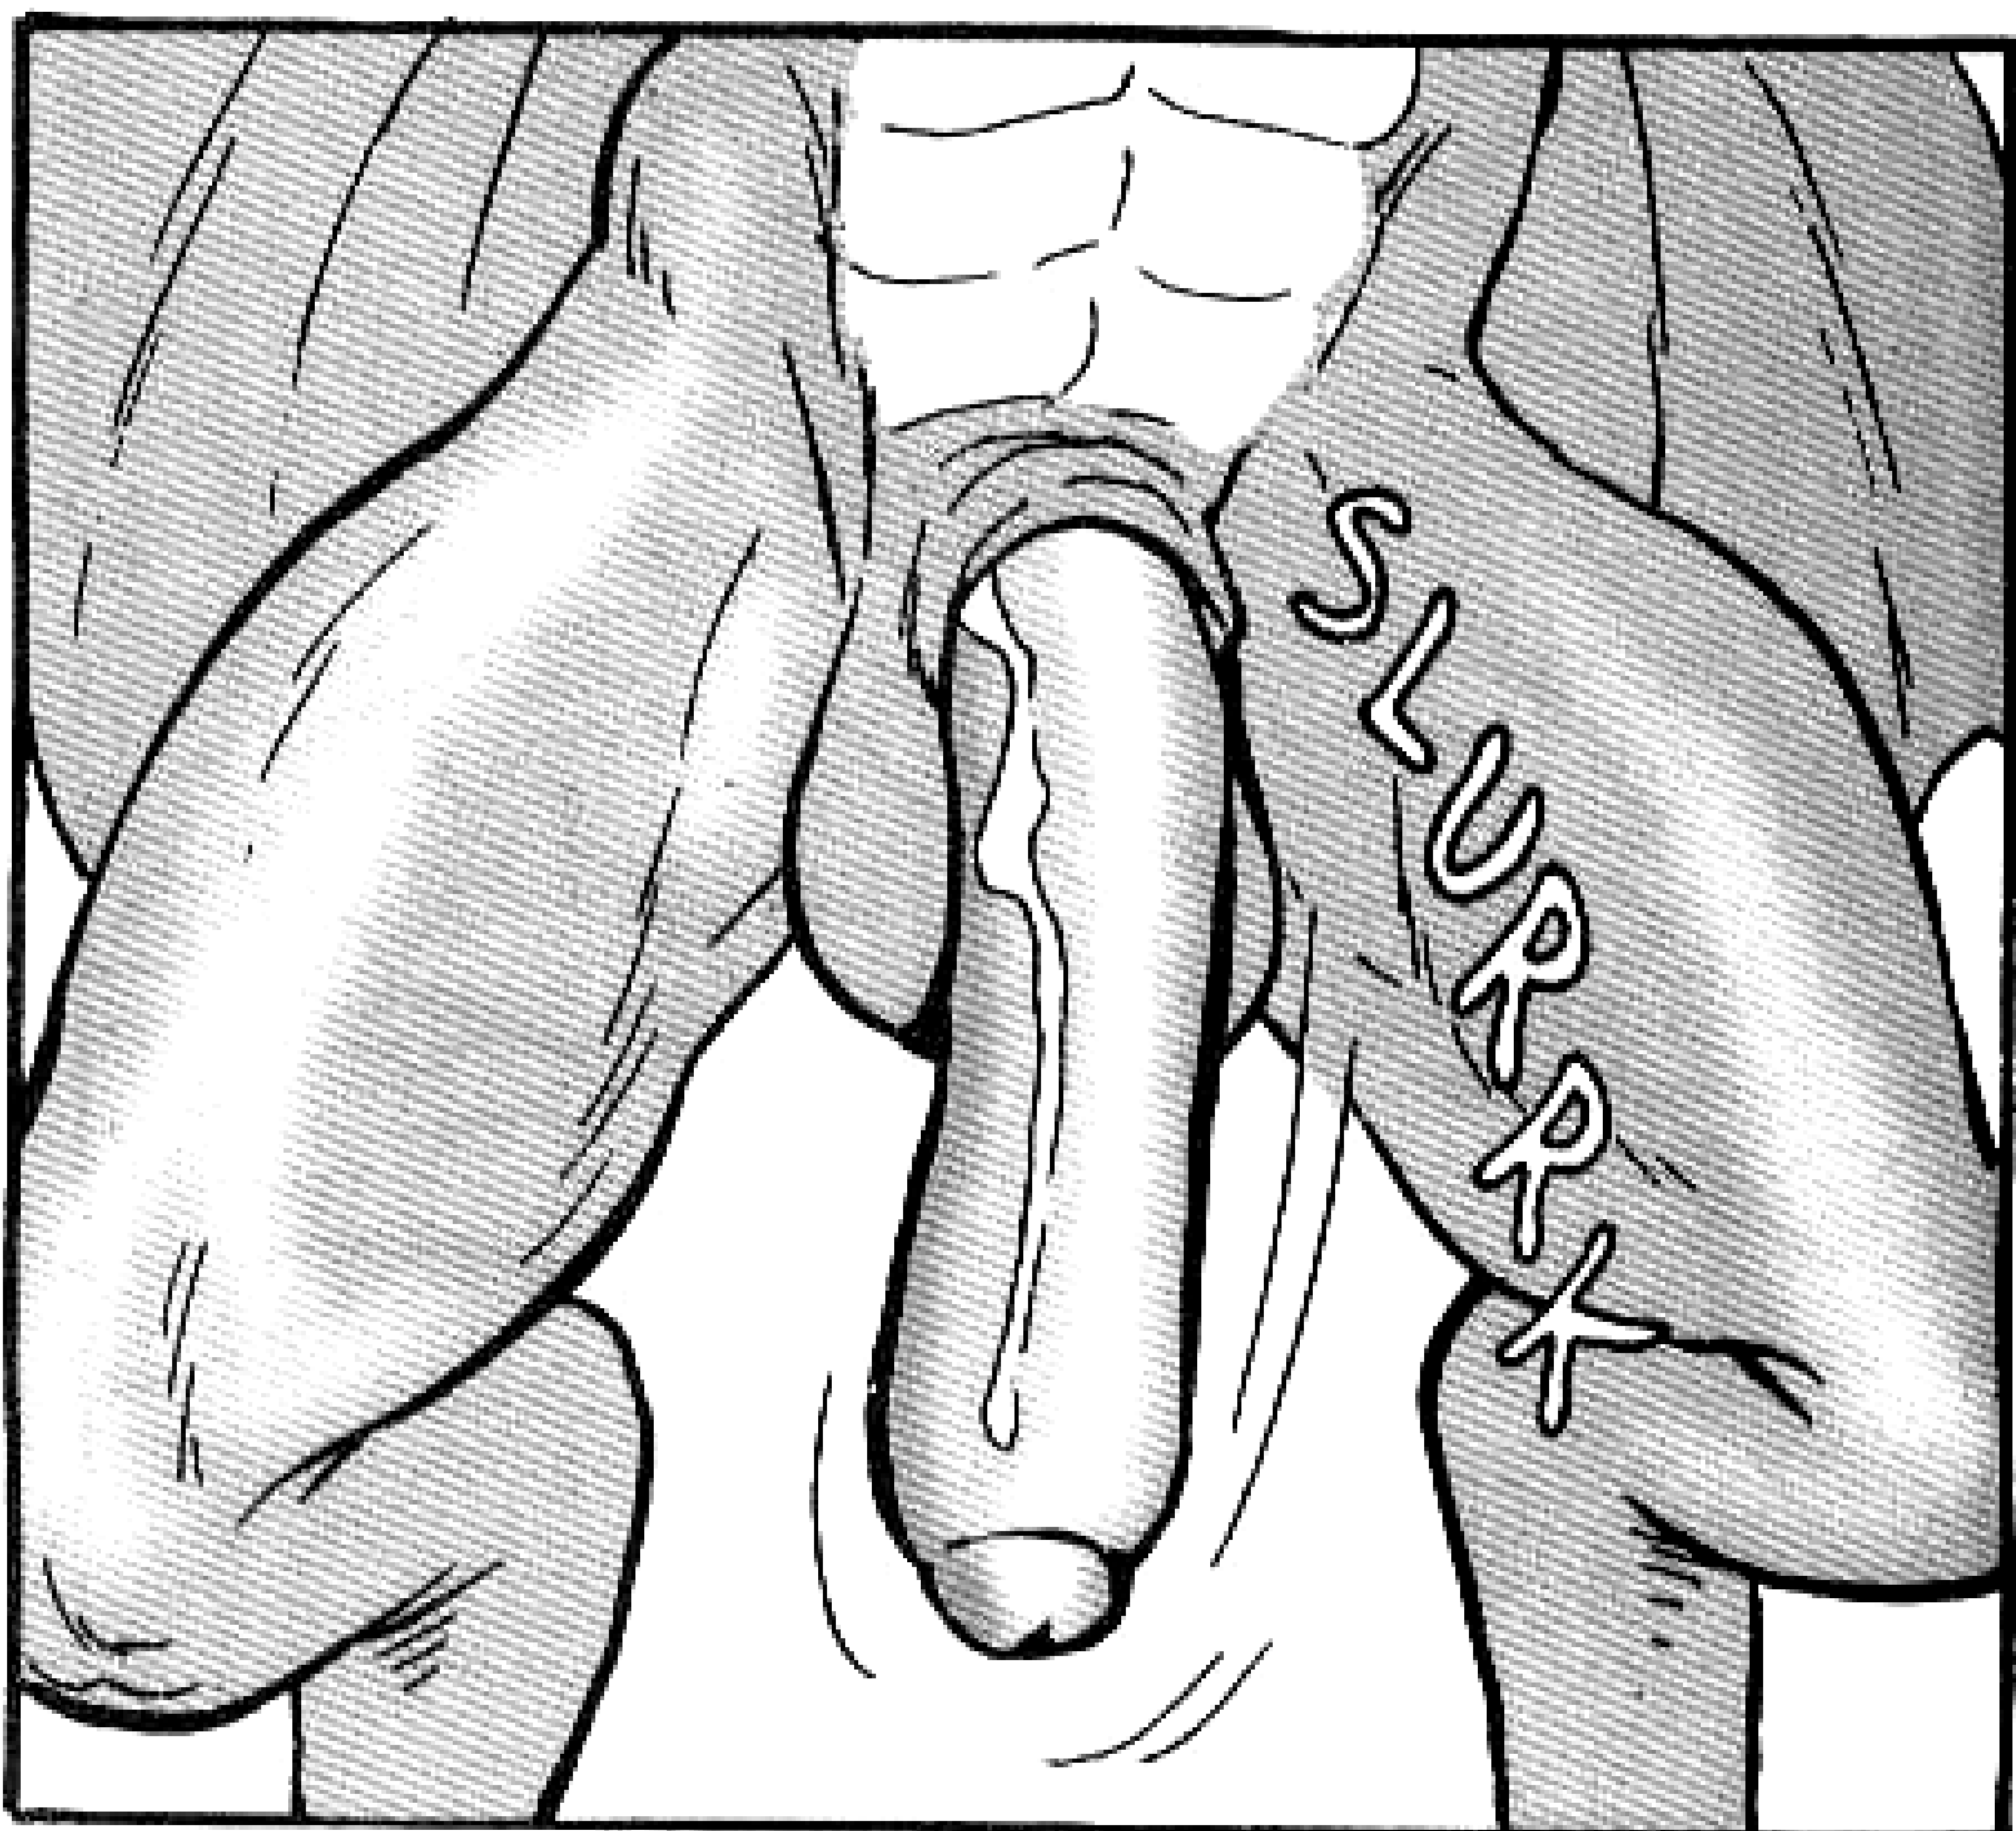

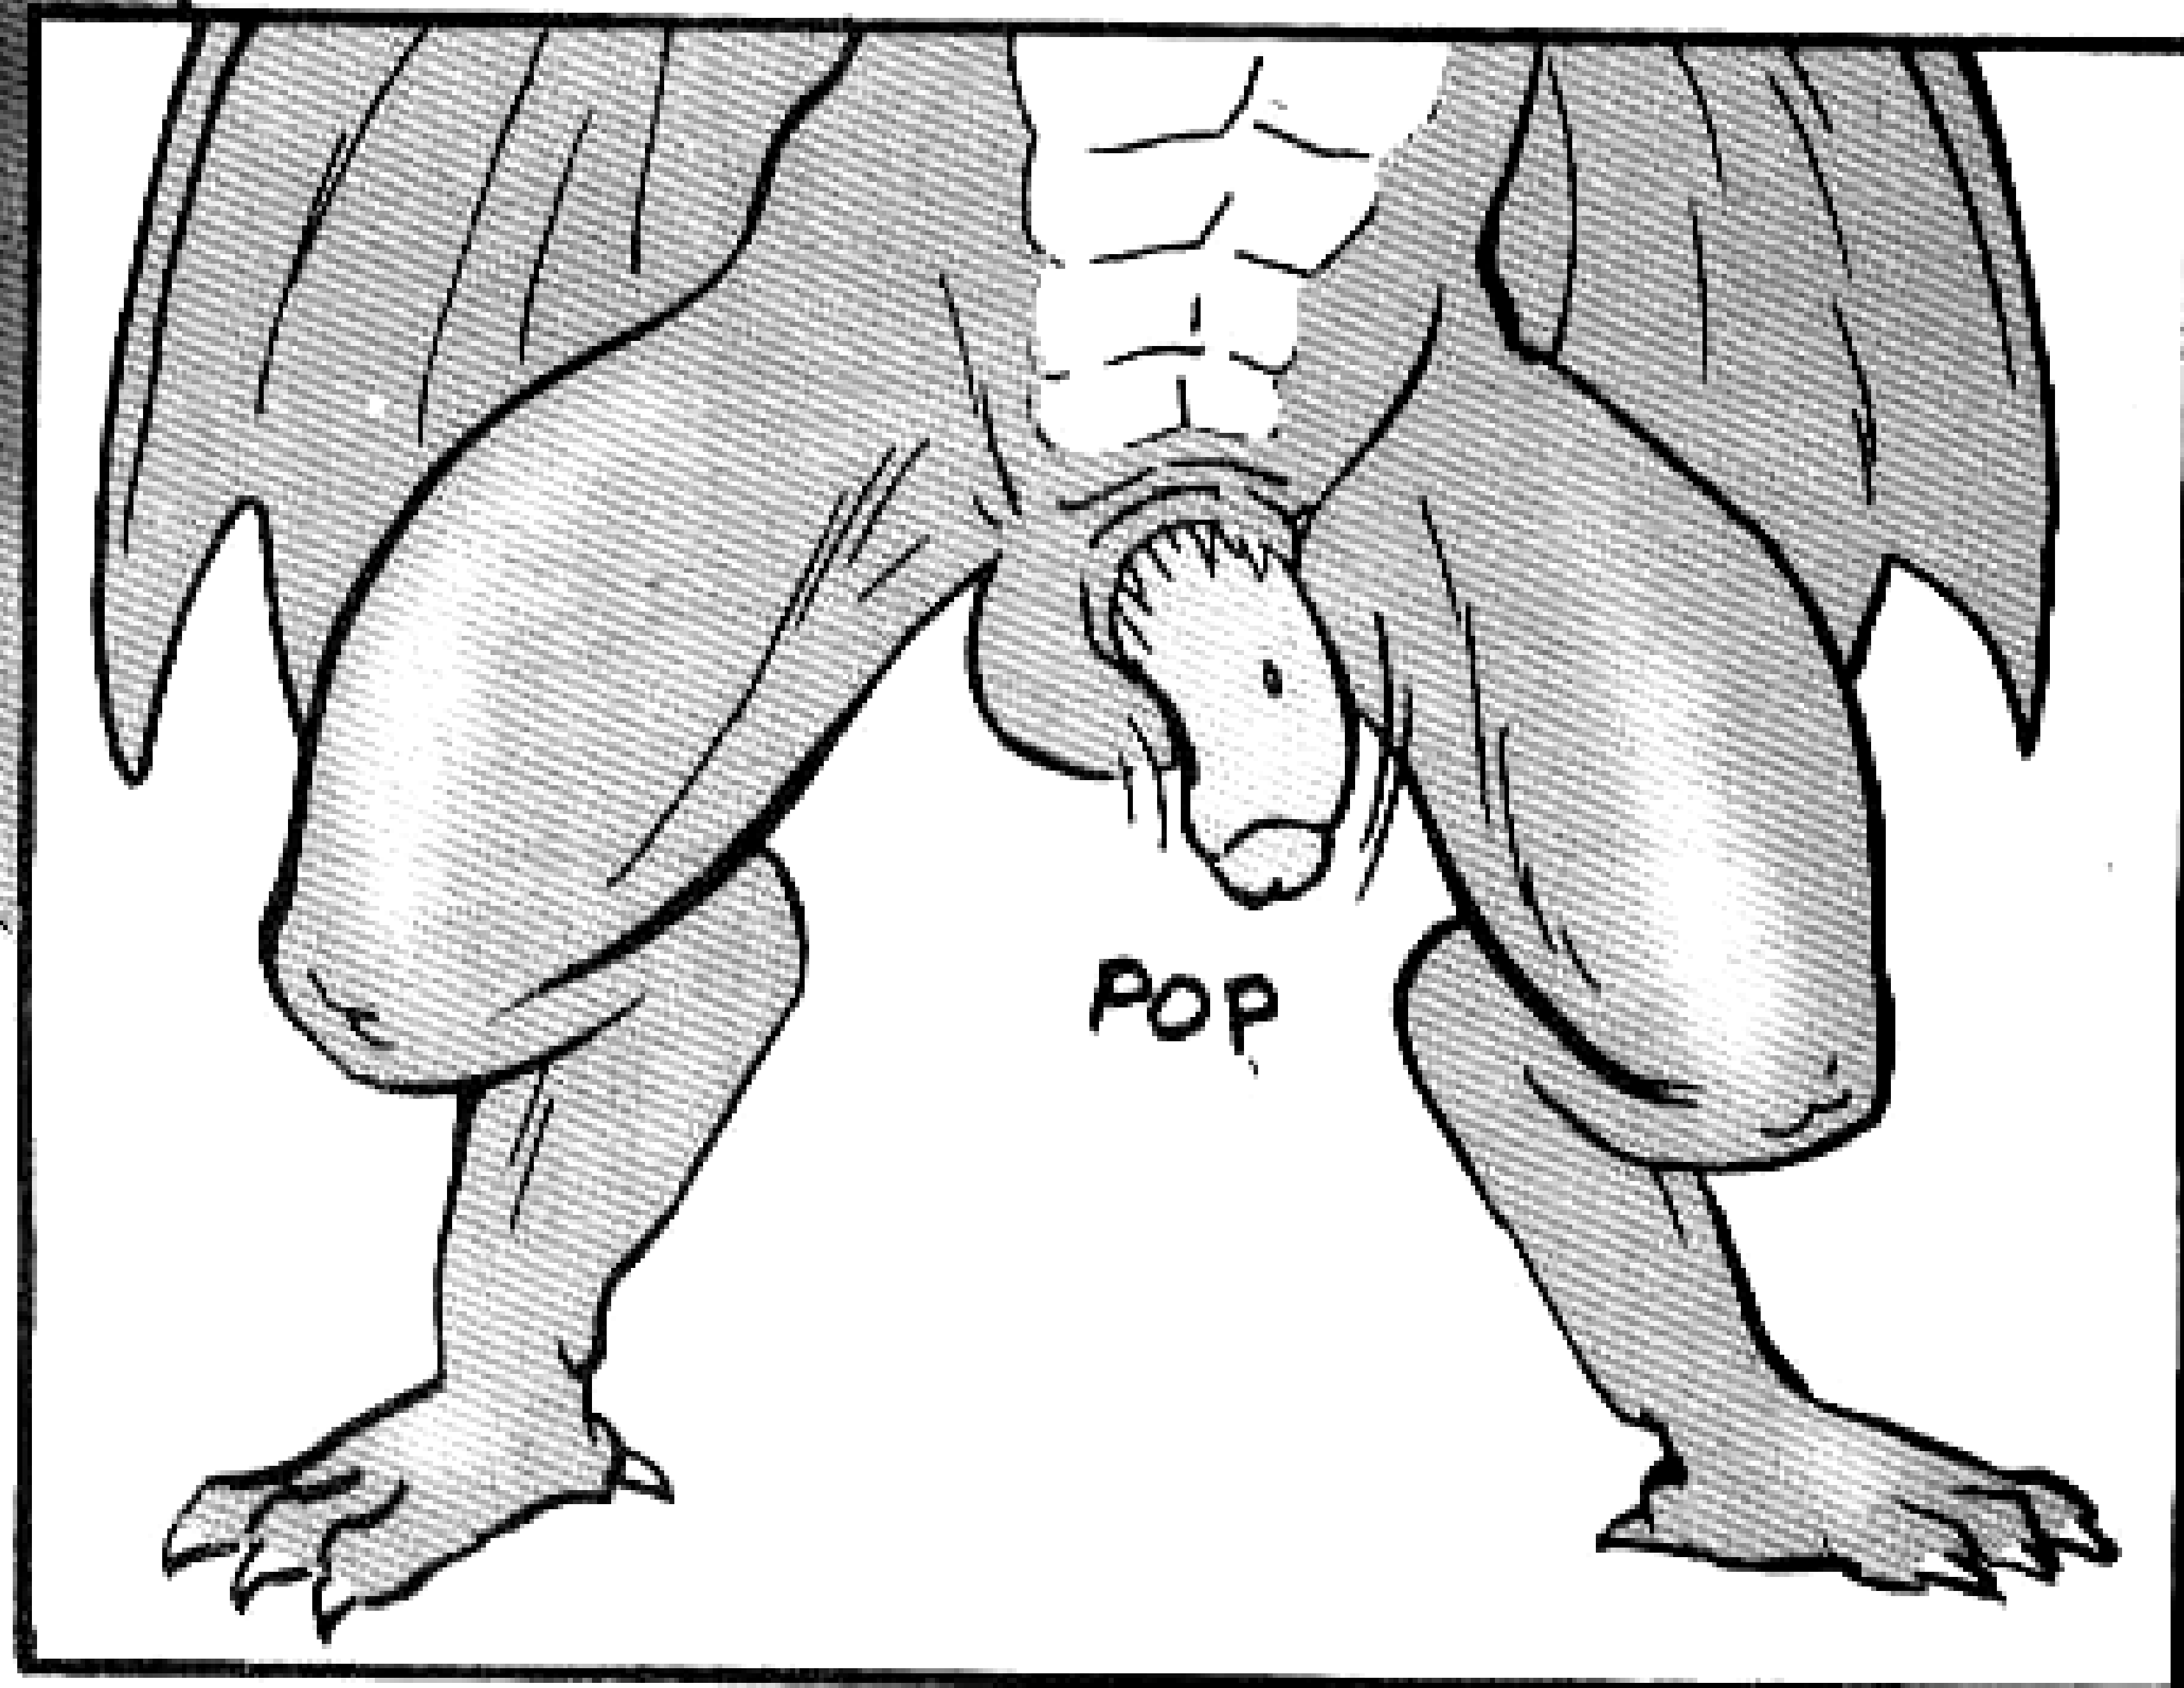

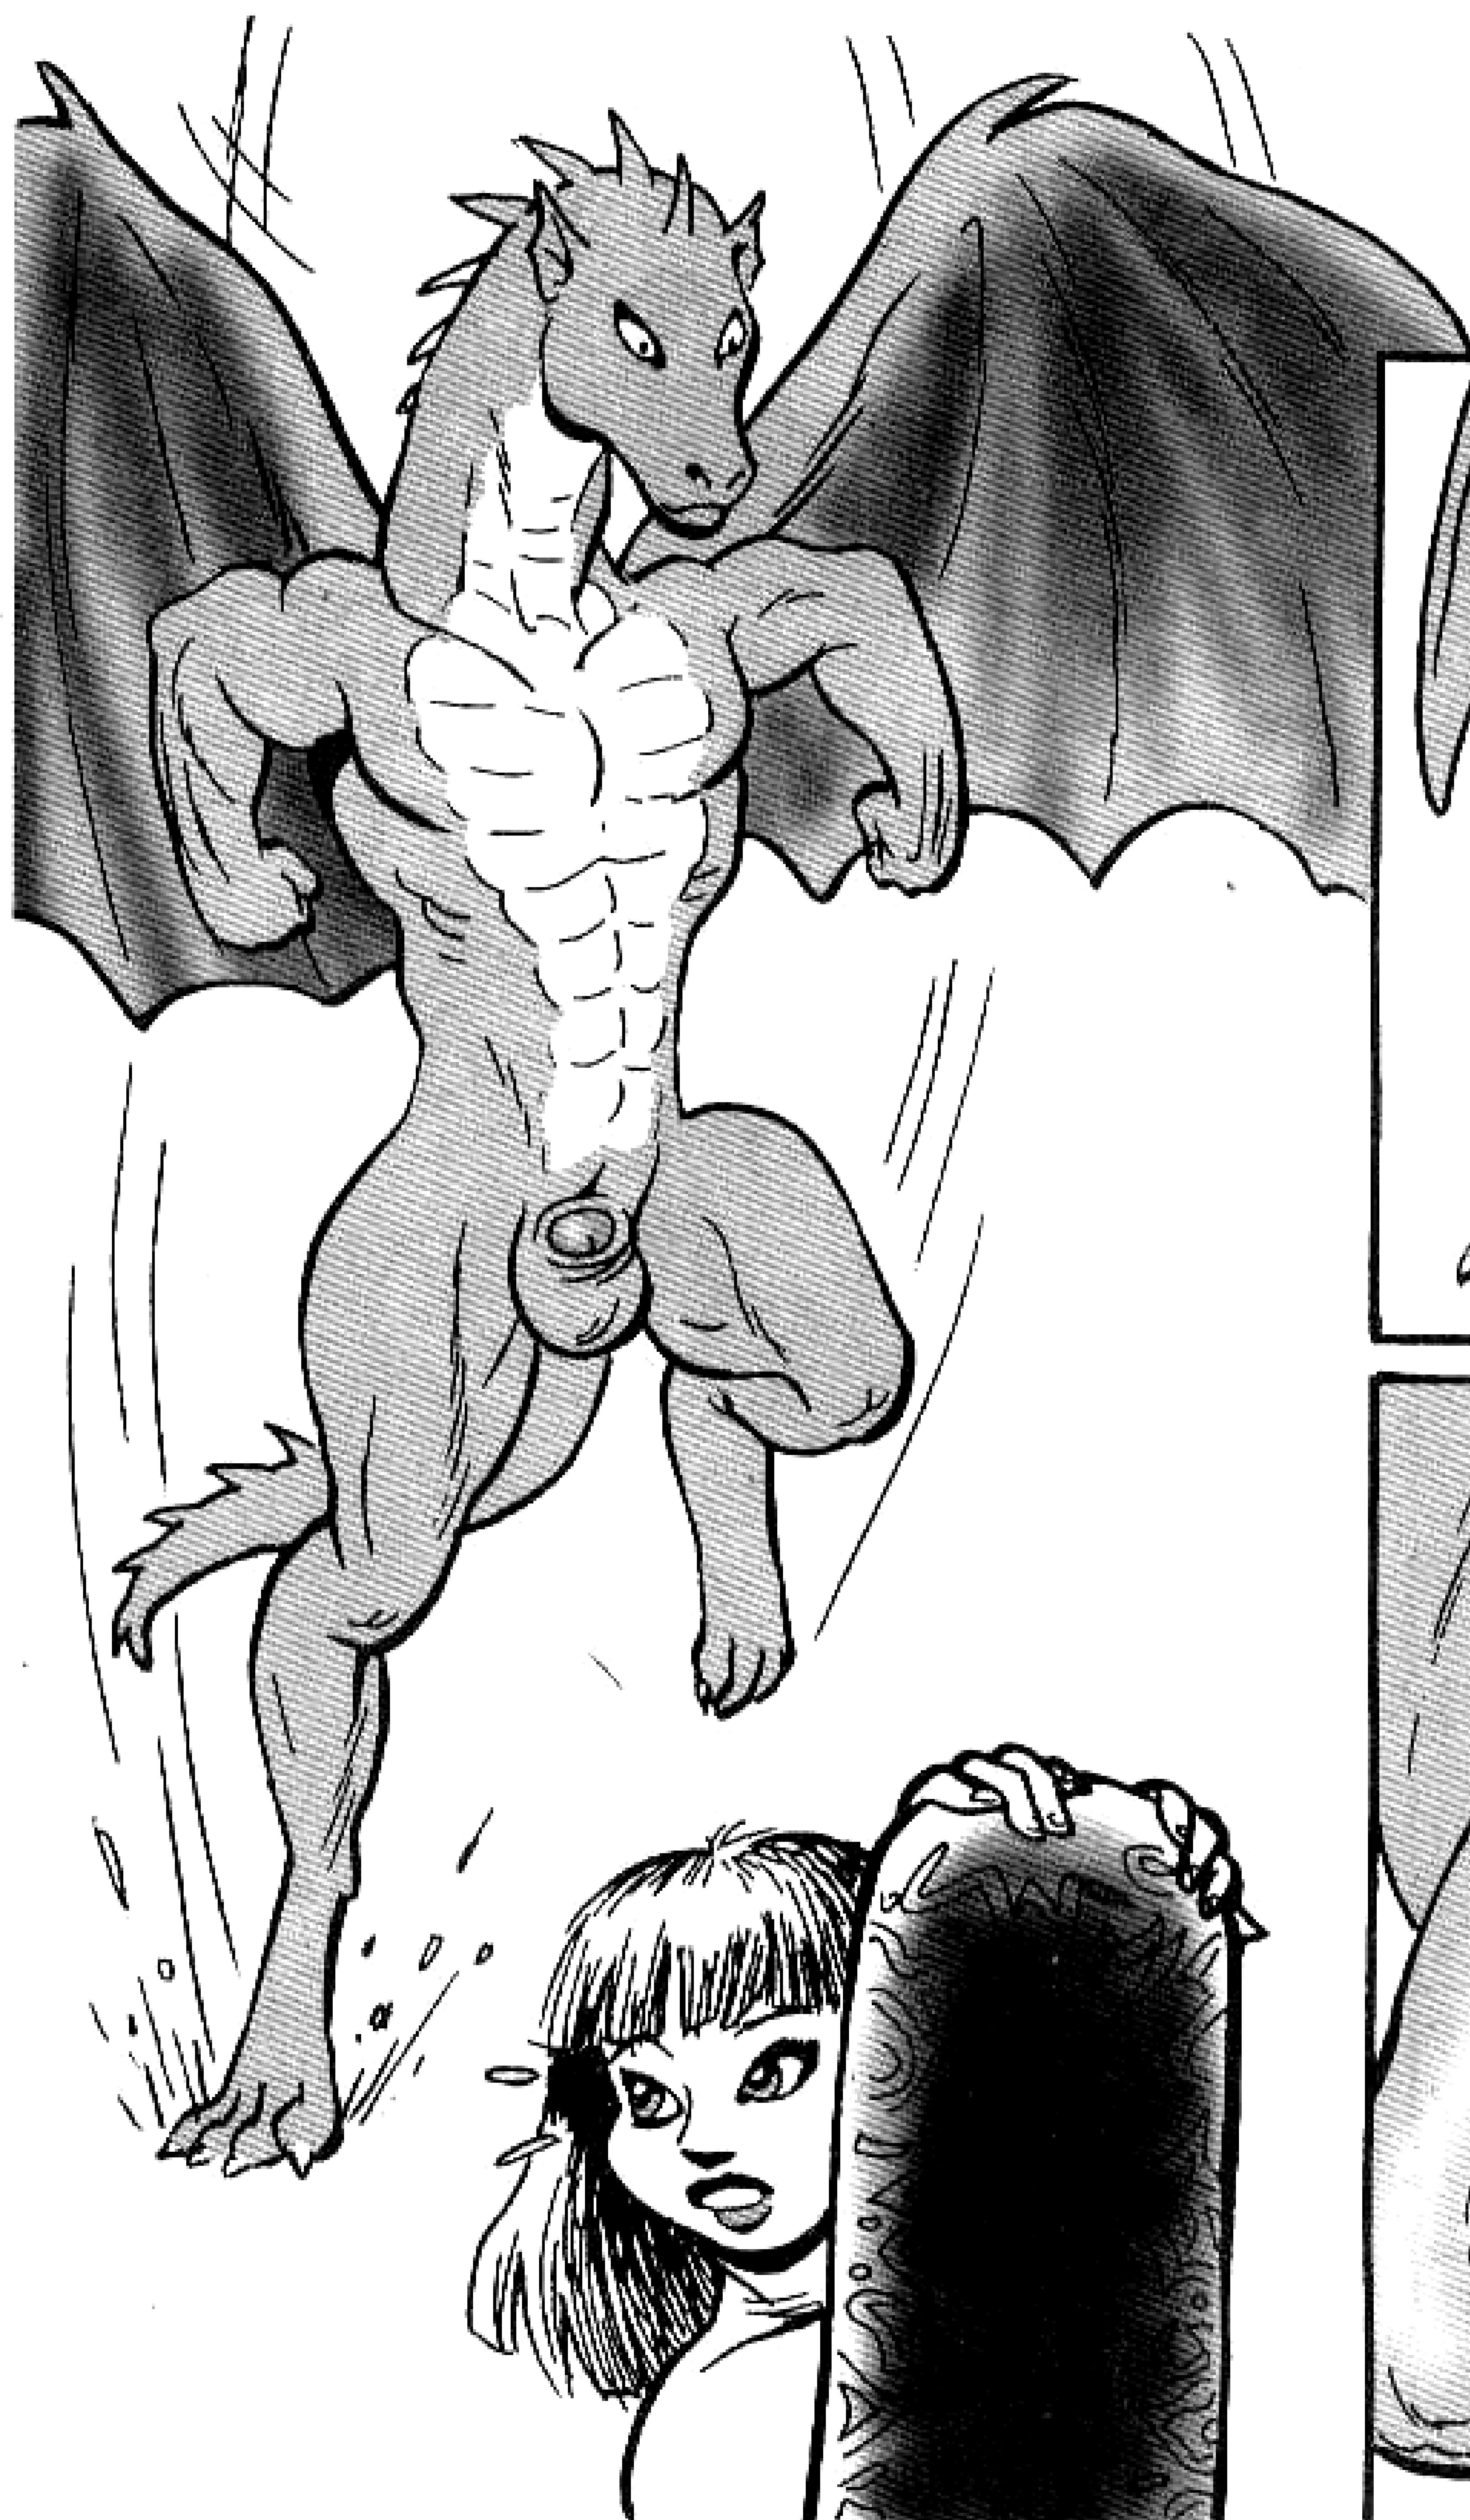

MERY'S KIN HAD BEEN BRED FOR GENERATIONS FOR JUST ONE PURPOSE: TO MAKE AS PLEASING A SACRIFICE AS POSSIBLE FOR THE DRAGON, SO HE WOULD NOT BURN THEIR HOMES AND CROPS.

BIGGER BREASTS, STRONGER HIPS, DEEPER, BETTER-TRAINED VAGINAS....

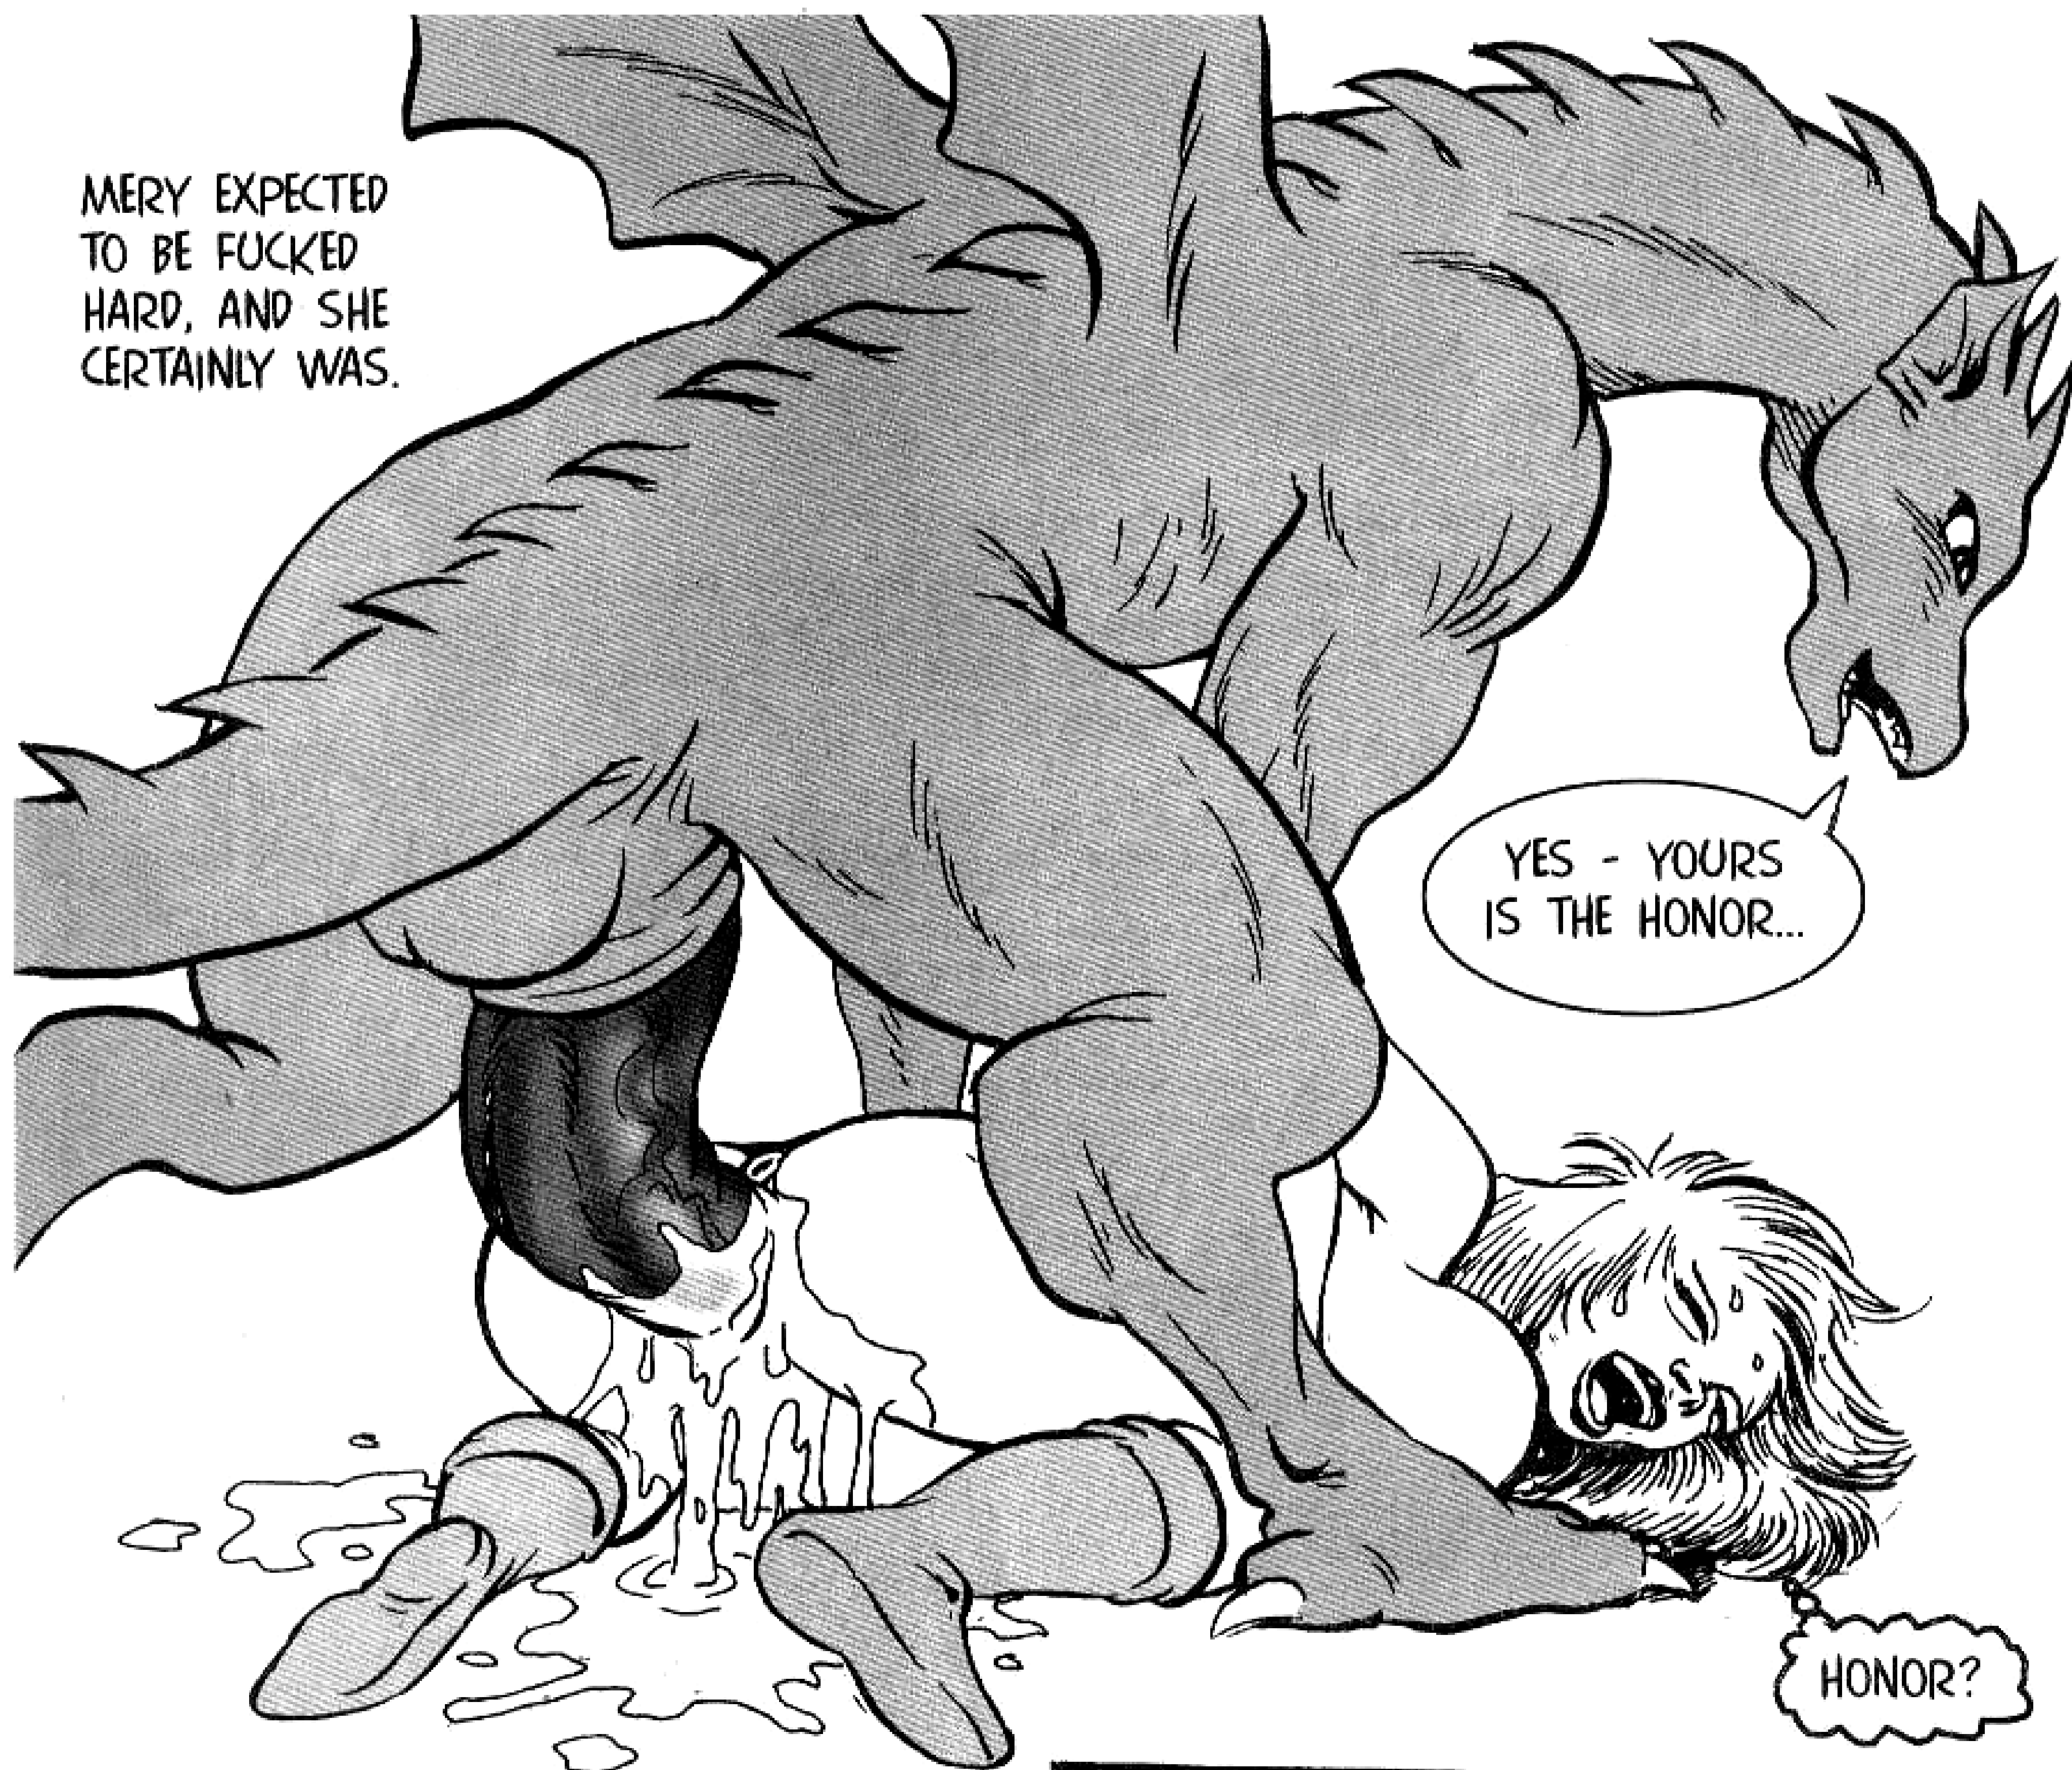

-GENERATION AFTER GENERATION, THEY BECAME BETTER SEX MACHINES.

HERE HE COMES-
I CAN HEAR THE
BEAT OF HIS
GREAT WINGS...

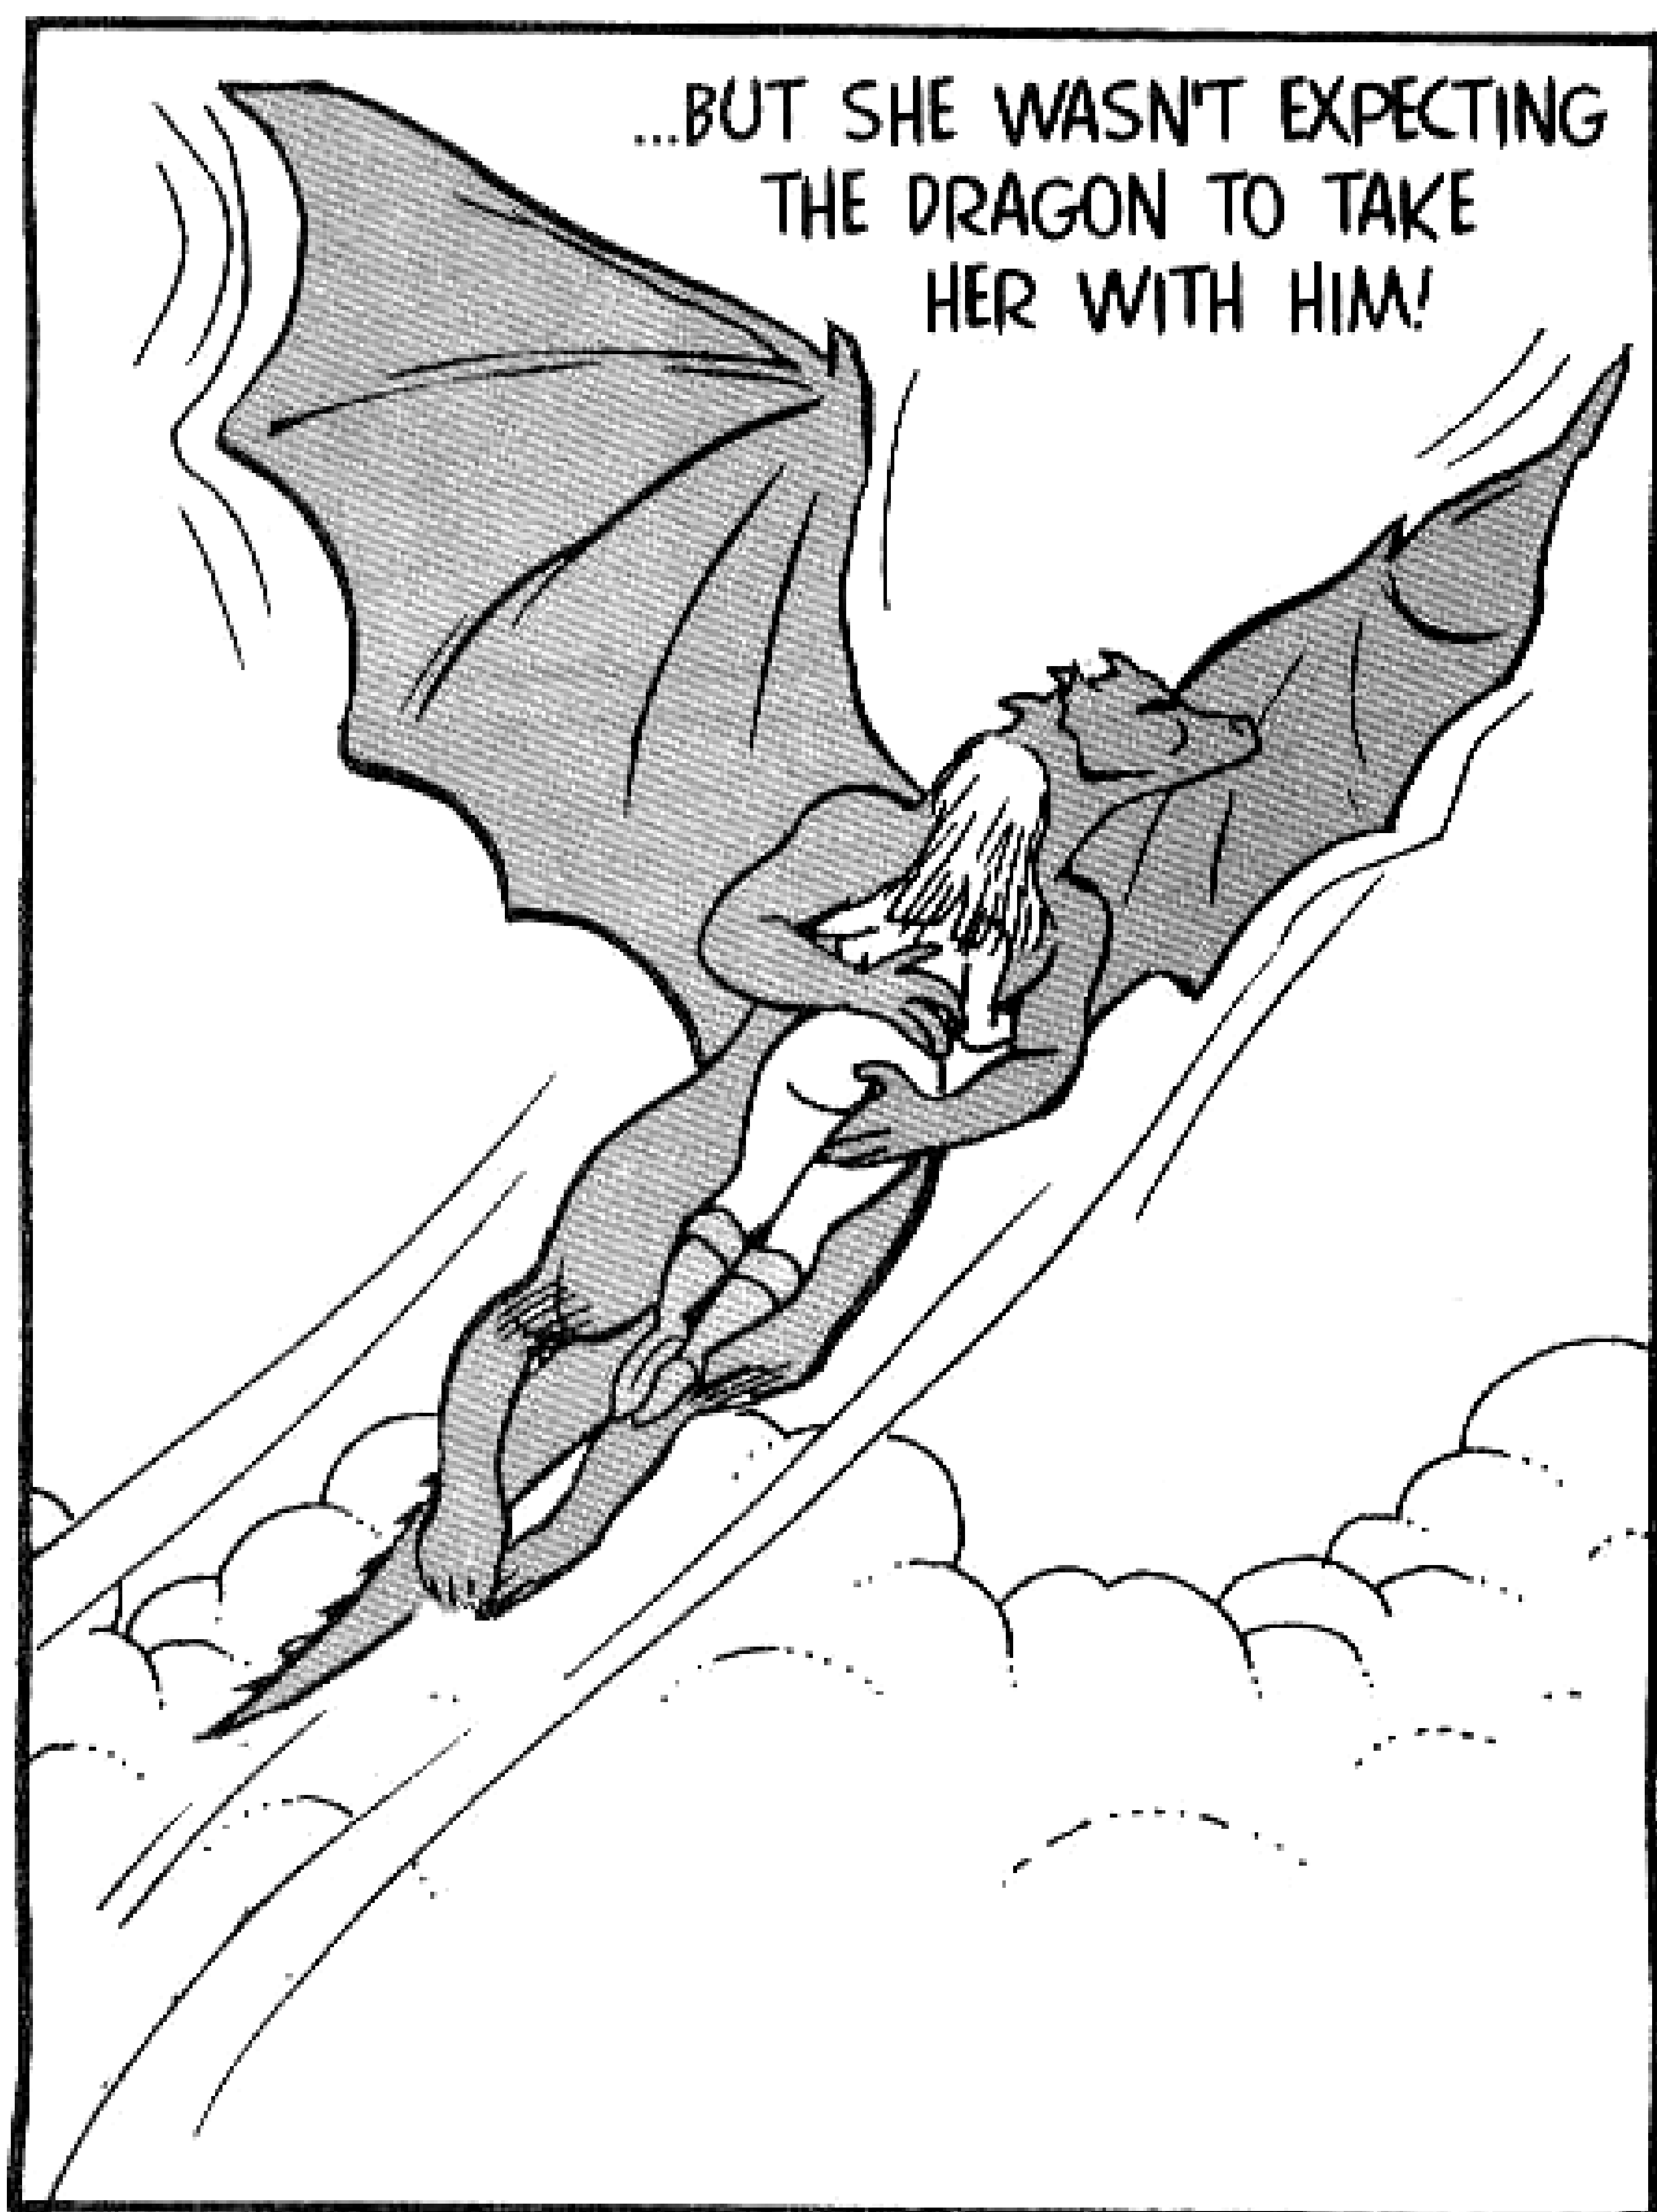

I'M LOOKING
FORWARD TO
FINALLY PUTTING
ALL THAT PUSSY
TRAINING TO
USE...

MERY EXPECTED
TO BE FUCKED
HARD, AND SHE
CERTAINLY WAS.

...BUT SHE WASN'T EXPECTING
THE DRAGON TO TAKE
HER WITH HIM!

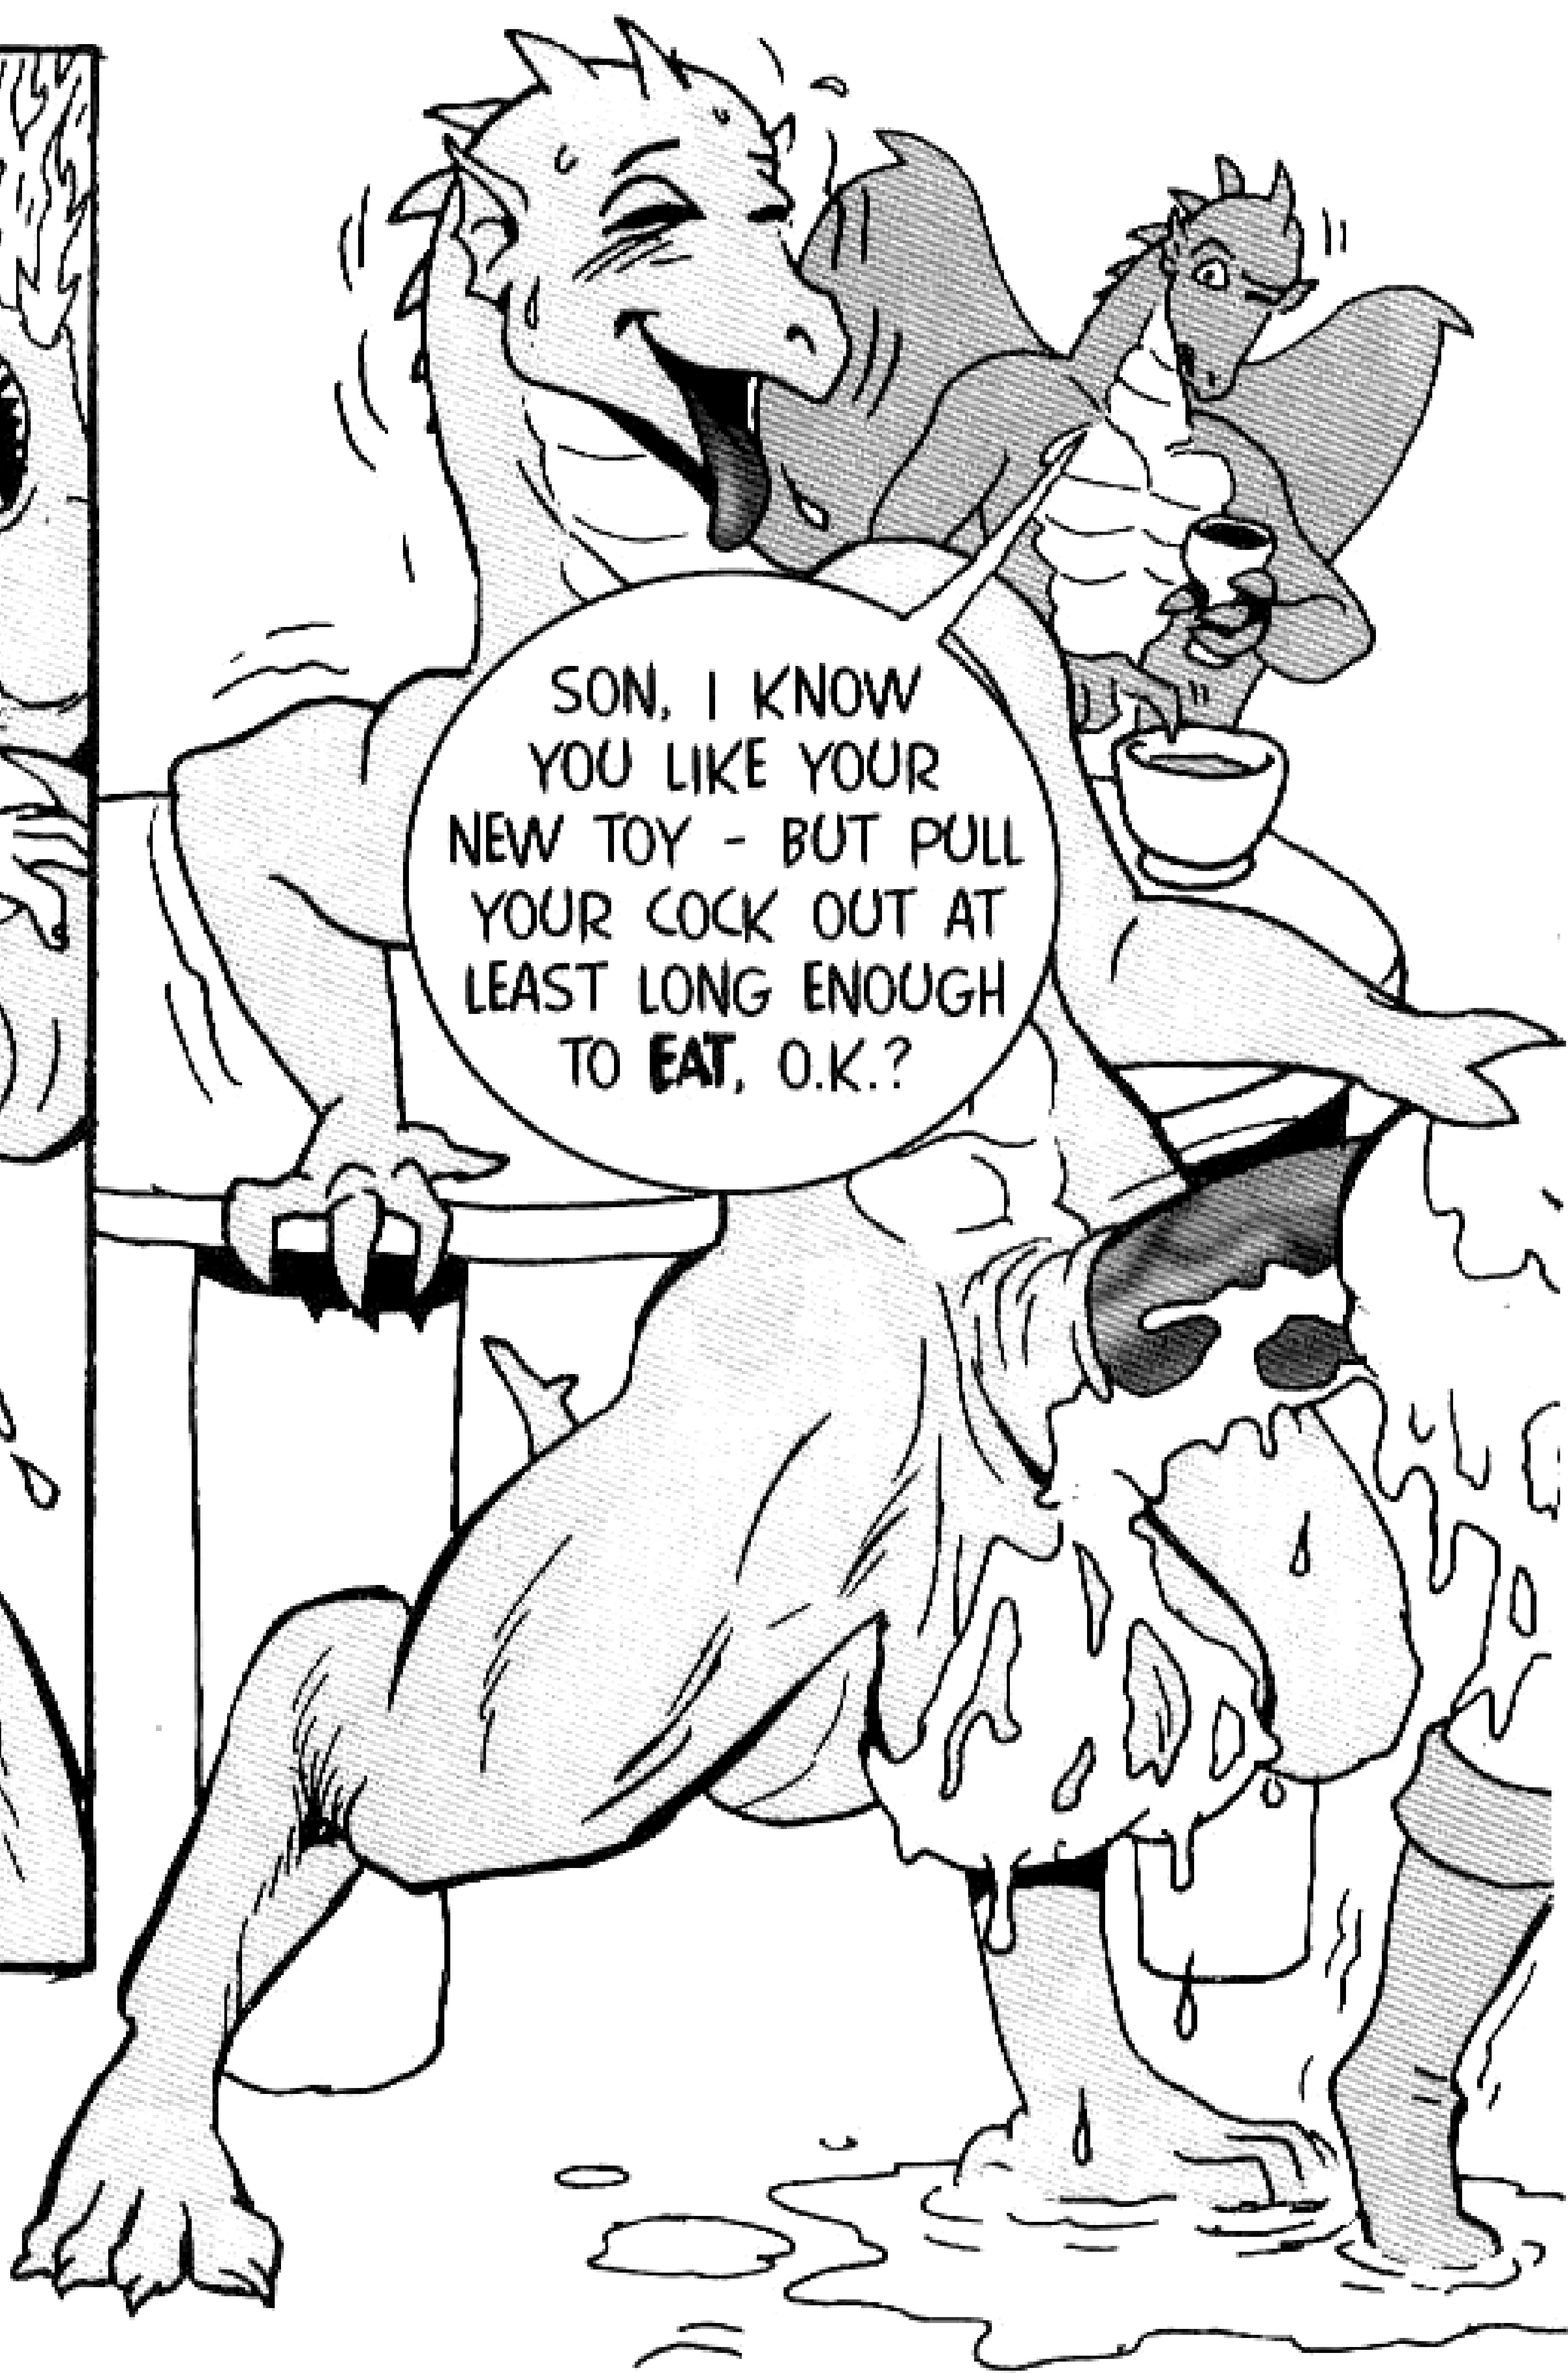

AAAAARRRH!

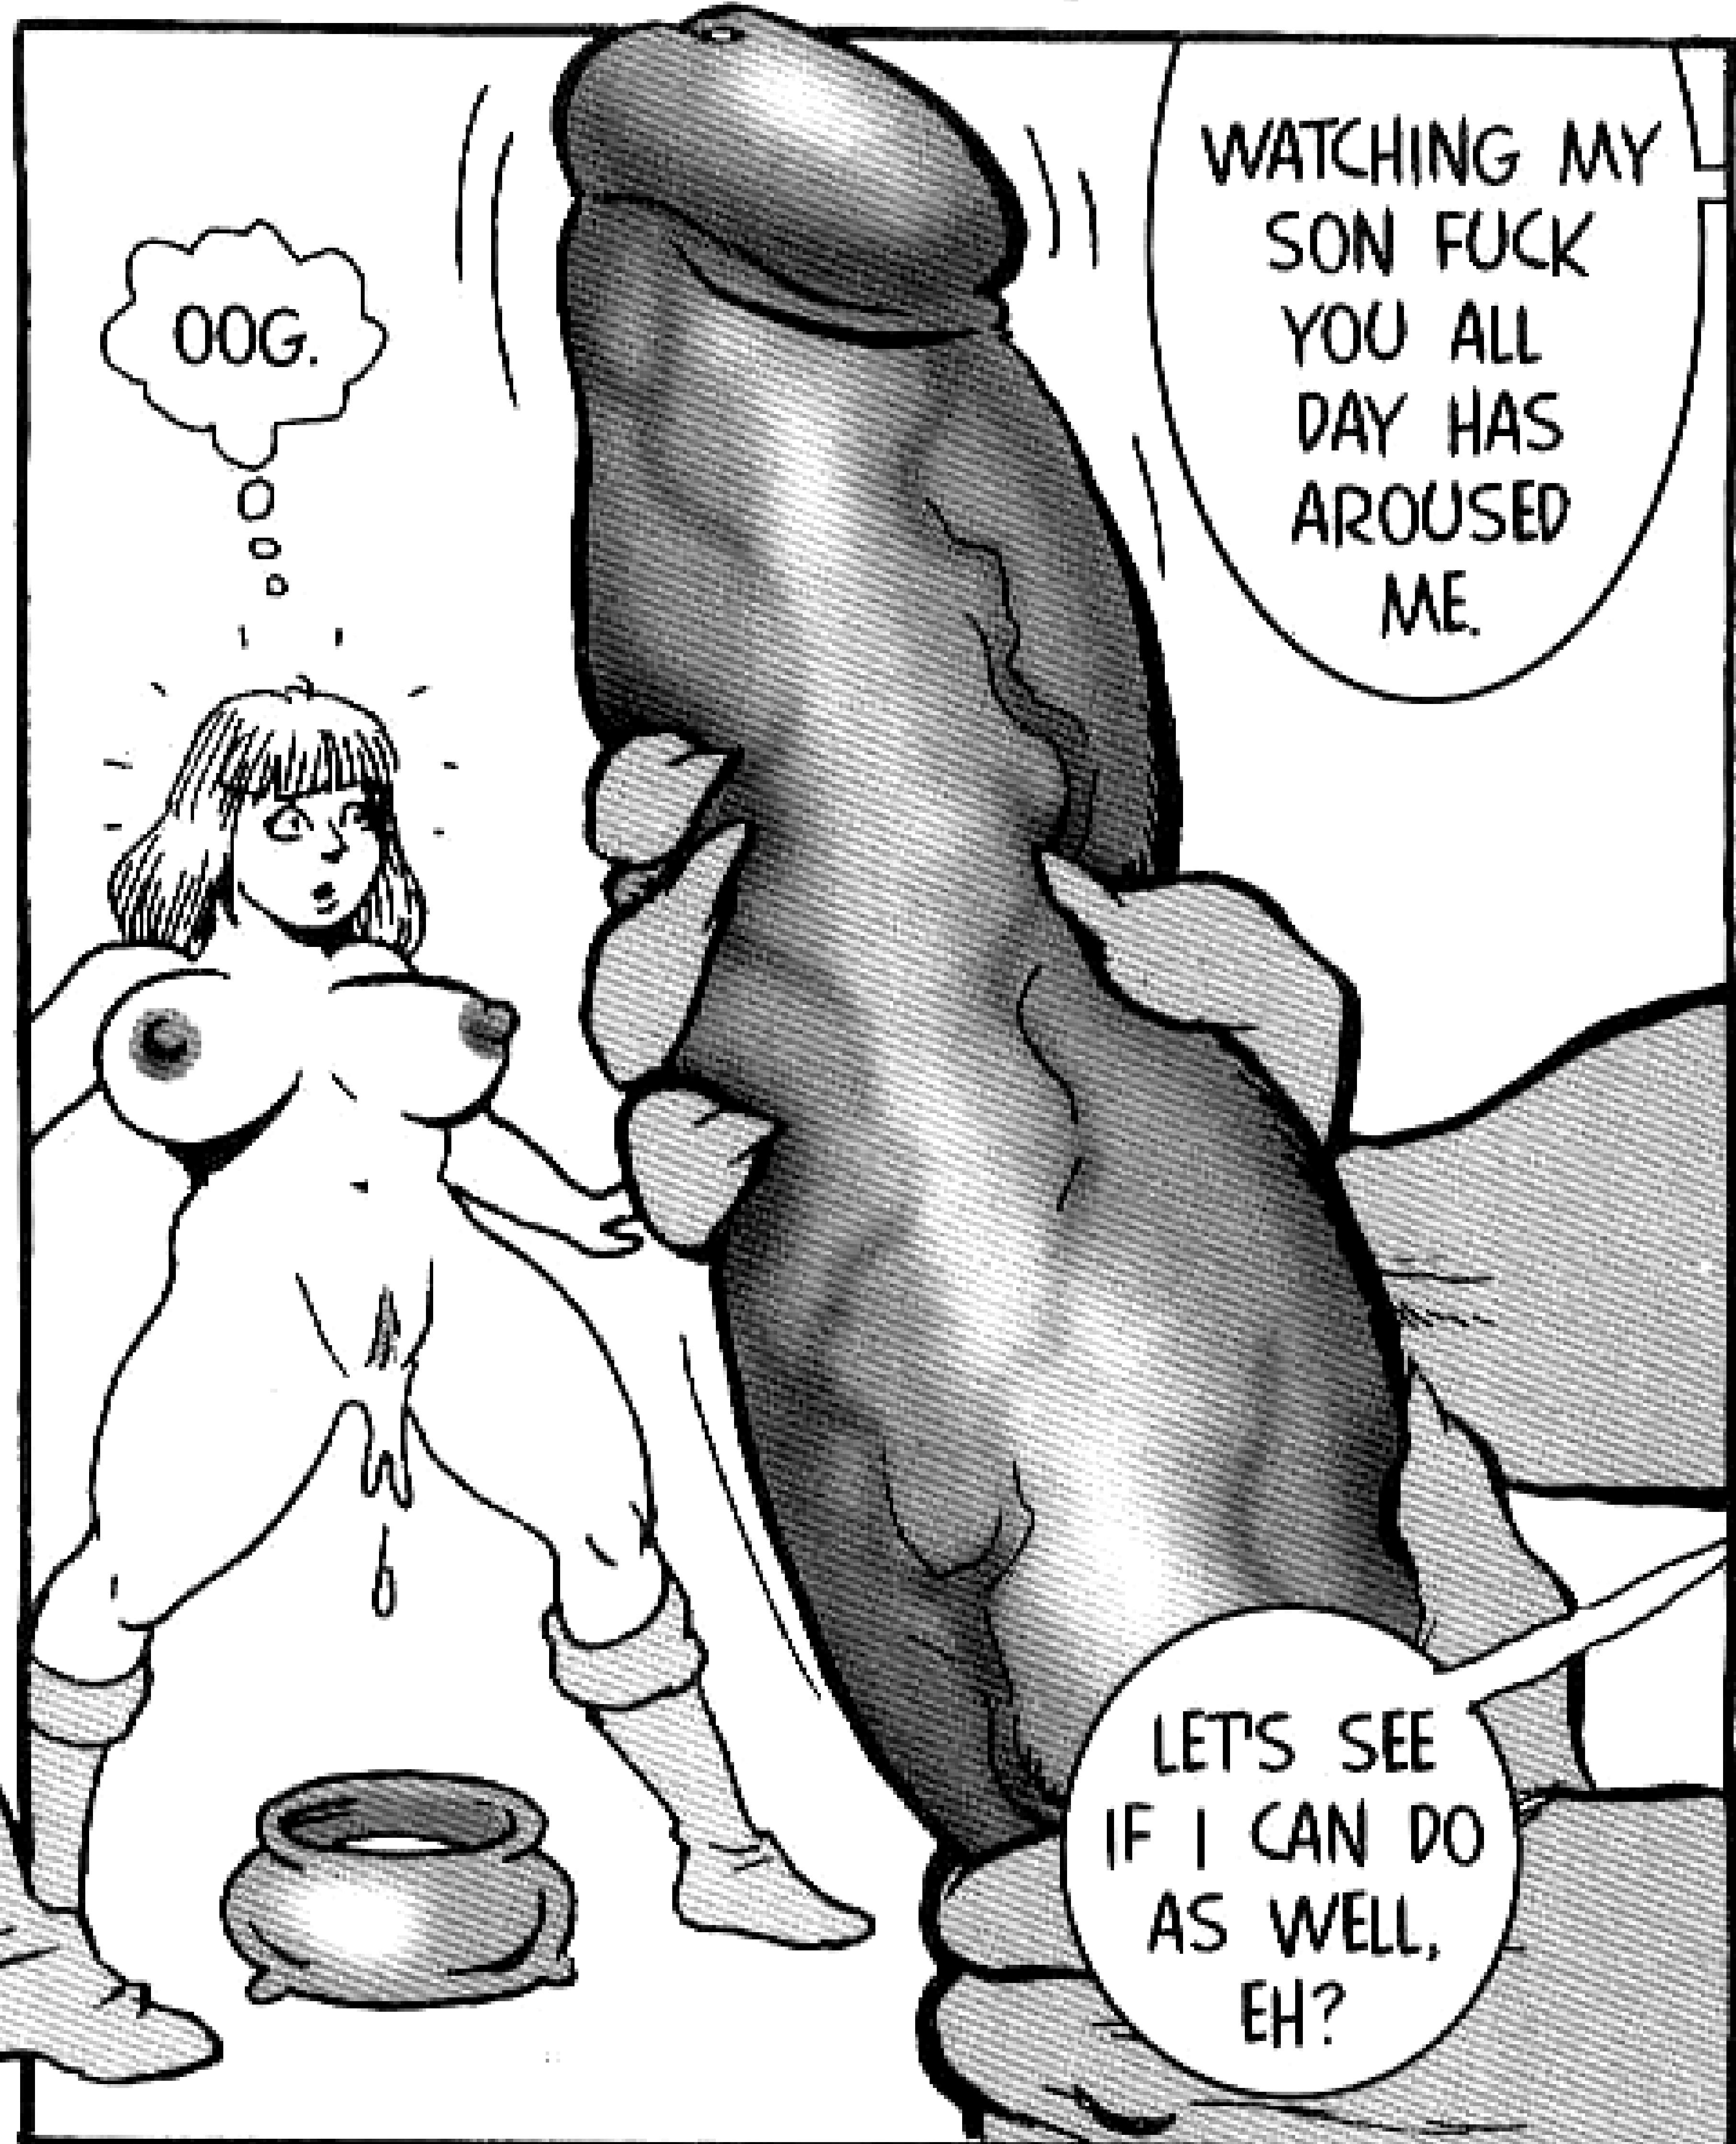

SPOOON

FINALLY...

AT LAST HE'S ASLEEP! NOW I CAN DO MY CROTCH EXERCISES - WITHOUT THEM, THAT MONSTER DICK WOULD STRETCH ME LOOSE AS A GOOSE...

SON, I KNOW YOU LIKE YOUR NEW TOY - BUT PULL YOUR COCK OUT AT LEAST LONG ENOUGH TO EAT, O.K.?

OOG.

WATCHING MY SON FUCK YOU ALL DAY HAS AROUSED ME.

LET'S SEE IF I CAN DO AS WELL, EH?

HE DID OUTDO HIS SON...

THE GAME OF ONE-UPMANSHIP WAS ON.

NOW JUST
STOP
THIS!!

ARE YOU GOING TO HAVE
THAT POOR WOMAN DOUBLE-
PENETRATED BY THOSE FENCEPOSTS?

MADAM, YOU'RE ENTITLED
TO YOUR OPINION, BUT THIS IS
THE COMPLETELY WRONG FORUM
FOR A LECTURE.

DOES SHE GET
ANYTHING OUT OF
THIS? IS THIS
SUPPOSED TO
BE SEXY??

THESE ARE
JUST LINES ON
PAPER. THERE IS NO
WOMAN HERE -
NOBODY'S
BEING ABUSED.

I BELIEVE A PUBLICATION SHOULD BE FULLY ONE THING. HALF-HEARTED, HALF-BAKED BOOKS OR FILMS ARE A WASTE OF TIME. A PHILOSOPHY BOOK SHOULD GIVE US THE DEEPEST INSIGHTS ITS AUTHOR CAN MUSTER. A HORROR BOOK, THE SCARIEST MONSTERS. AND A PORNO COMIC SHOULD GIVE ITS READER ALL THE UNAPOLOGETIC FUCKING THE ARTIST CAN DRAW. IT IS **NO** PLACE FOR POLITICAL CORRECTNESS!

WELL, IF YOU PUT IT LIKE THAT, I'D HAVE TO AGREE, BUT...

YOU'RE IN A PORN BOOK, REMEMBER? PULL DOWN YOUR SKIRT AND BEND OVER THE DESK.

OOPS.

PAT
PAT

OH? YOU AGREE?

YES,
WHY?

OOHH
OOHH

OH
YEAH

FOR THOSE OF YOU WHO CARE, THE YOUNG DRAGON FINALLY GOT ENOUGH ROCKS OFF TO GO COURTING LADY DRAGONS. MERY RETIRED TO HER VILLAGE, AND TOOK ON THE TRAINING OF FUTURE DRAGON BRIDES.

LATER, THE INTRODUCTION OF GUNPOWDER AND RIFLED CANNON MADE DRAGONS AN ENDANGERED SPECIES, BUT THAT'S A DIFFERENT STORY.

And now, just to balance off "Picca Does It Herself", here's Stellos' Horse In Blue Shorts....

BIG FANS!

Alas, the BIG Funnies letters page only has one real letter to show, this issue. But to make up for it's loneliness, it's quite erudite:

The 'obsessed with inflated genitalia' comment in #5 moves me to write you that there's at least one buyer who doesn't share the obsession. My reaction to those varies between tolerance and repulsion, but I've still bought most of the issues because I like your drawing and writing. I enjoy your rants (even when I disagree). In #4 I liked the randy little mouse on the cover, 'Picca Does it Herself' (extremely cute), and much of the other stories before the hypertrophies showed up. Hope to see more of puppy's adventures. I wonder if it was deliberate that in the second story she wavers between her earlier simplified speech and more normal diction.

In #5 I didn't think the macho-schmuck story looked as good as it did in *Size Games* but 'Friends and Lovers' was quite good. That picture of Dian on the first page is as lovely a lady as you've ever done; the fur lines on her torso and legs add to the effect, and I was sorry to see them go in favor of a plain humanoid body after the one panel on page four. I hope we can see her in color some day. On the other hand, her face is wonderfully expressive throughout the story; I particularly like the splash-page and 'Hi!' and 'Wow!' and 'Hah!' and 'Ah' and 'Oyeah' panels. The Ginny story is cute, and I find her happy eyes-shut expression in the last panel very attractive--I don't know whether to call it languid or sleazy.

Always carry a grapefruit, Treesong

Thanks for the good word, Treesong! And I really hope that's a nom de plume you picked out for yourself. I'd hate to think there were parents that cruel, somewhere out there.

So while I got the floor, sotospeak, I'll give the usual pitch: Write to me! It's lonely at this drawing table with no-one to talk to. I need feedback.

Fire off a penetrating missive to:

BIG GAME HUNTERS

WHY ARE THERE NO SUPERHEROES IN REAL LIFE?

YOU ALL KNOW THE USUAL SUPERVILLAIN PLOTS FROM THE COMICS, RIGHT?

WELL, THE SIX BIG MEDIA CONGLOMERATES **ARE** BRAINWASHING THE POPULATION!

OR HOW ABOUT THIS ONE?

MASS SLAUGHTER OF INNOCENT CIVILIANS **IS** HAPPENING ALL OVER THE PLACE!

THIS ONE'S A CLASSIC!

WELL, AIDS **IS** DECIMATING AFRICA!

IN THE COMICS, THE HERO JUMPS IN AND FOILS THE VILLAIN'S PLAN AT THE LAST MINUTE!

BUT THAT NEVER SEEMS TO HAPPEN IN REAL LIFE. WE'RE LIVING IN A WORLD WHERE THE VILLAINS HAVE WON, SIMPLY BECAUSE NO ONE OPPOSES THEM!

SO WHY AREN'T YOU PUTTING ON A MASK AND FIGHTING EVIL? WHAT ARE YOU WAITING FOR? HEROES ARE **DESPERATELY NEEDED!!**

ALL EVIL NEEDS TO TRIUMPH, IS FOR GOOD MEN TO DO NOTHING.
